Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus. Touchstone Second Edition Full Contact with DVD, Level 1 includes four key components of the Touchstone Second Edition series: Student's Book, Level 1; Workbook, Level 1; Level 1 Video Activity Pages; and Video on DVD.

Touchstone Student's Book 1 is the first level of the innovative Touchstone series and is designed for beginning students. Student's Book 1B contains units 7-12, the second half of the complete Level 1 Student's Book. Drawing on research into the Cambridge International Corpus, a large database of language that includes everyday conversations and texts from newspapers and books, Student's Book 1 presents the vocabulary, grammar, and functions students encounter most often in real life. It also develops the strategies that students need for effective conversations, such as how to start and end a conversation and how to ask questions that are not too direct. The book features an attractive, contemporary design, and beautiful color photos and illustrations. It makes learning fun by maximizing the time students spend on interactive, personalized activities on high-interest topics. Students using Touchstone will soon feel confident in their abilities to express themselves clearly and effectively. A free Self-Study Audio CD/CD-ROM at the back of the book gives students further practice in listening, speaking, and vocabulary.

"Touchstone is an innovative four-level series for adults and young adults, taking students from beginning to intermediate levels (CEFR: A1-B2). Based on research into the Cambridge English Corpus, Touchstone teaches English as it is really used. It presents natural language in authentic contexts, and explicitly develops conversation strategies so learners speak with fluency and confidence."--Page 4 of cover.

Easy and enjoyable to teach, Touchstone offers a fresh approach to the teaching and learning of English. Full Contact includes five key components of the Touchstone series: Student's Book, Workbook, Video Activity Pages, Self-study Audio CD/CD-ROM, and NTSC DVD.

Touchstone, together with Viewpoint, is a six-level English program based on research from the Cambridge English Corpus. Touchstone uses a corpus-informed syllabus ensuring students are learning the language that people really use. Activities include a strong focus on inductive learning, personalized practice, and encouraging learner autonomy. Student's Book, Level 4A includes Units 1-6 of the Level 4 Student's Book and is at the intermediate CEFR level (B1-B2).
