Adventures in the English countryside and beyond with the Yorkshire veterinarian and #1 New York Times–bestselling author of All Creatures Great and Small. When World War II ends and James Herriot returns to his wife and new family in the English countryside, he dreams mostly of Sunday roasts and Yorkshire puddings, but new adventure has a way of tracking him down. Soon Herriot finds himself escorting a large number of sheep on a steamer to Russia, puzzling through the trials of fatherhood, and finding creative ways to earn the trust of suspicious neighbors who rely on him for the wellbeing of their beloved animals. Herriot's winning humor and self-deprecating humanity shine through every page, and his remarkable storytelling has captivated readers for generations. “This is Herriot at his best,” said the Washington Post of this New York Times bestseller by the author of All Things Bright and Beautiful and Every Living Thing. The Lord God Made Them All is a true story of postwar England that, according to the Columbus Dispatch, “just explodes with the joy of living and loving and caring.”

All things bright and beautiful; all creatures great and small; all things wise and wonderful, the incredible Ashley Bryan illustrates them all!

The #1 New York Times–bestselling author of All Creatures Great and Small reflects on the rewards of training the next generation of veterinarians. As an aging James Herriot begins to see more house pets than livestock, the challenge of treating animals—and reassuring their owners—provides plenty of excitement, mystery, and moments of sheer delight. After building up his own practice, the renowned country vet begins to teach a new generation about a business both old-fashioned and very modern. He watches with pride as his own children show a knack for medicine, and remarks on the talents and quirks of a string of assistants. There is no perfecting the craft, since people and their animals are all remarkably different, but Herriot proves that the best healers are also the most compassionate.

Contains Vets Might Fly and Vet in a Spin The third volume of memoirs from the author who inspired the BBC series All Creatures Great and Small Training as an RAF pilot in the smoke and bustle of London is a far cry from James Herriot's day job as a country vet in the Yorkshire Dales. And while he is keen to serve Queen and country, James cannot help but miss his life in Darrowby - despite frequent arguments between his colleagues, ornery cattle and equally ornery farmers, and the continuing saga of Cedric the flatulent dog. But most of all he misses his wife Helen; pregnant with their first child. The question is constantly hanging over him - will he be going to war? And when will he get to go home? Since they were first published, James Herriot's memoirs have sold millions of copies and entranced generations of animal lovers. Charming, funny and touching, All Things Wise and Wonderful is a heart-warming story of determination, love and companionship from one of Britain's best-loved authors.

The Covid-19 pandemic provoked many questions. It is human nature to want to know how and why things happen. The sovereign God has created a beautiful, intricate world in which multiple factors interact to cause an event. We are called to properly understand creation, but often fail because we tend to be lazy, fearful, and self-serving. We make judgments based on (often incorrect) assumptions about cause-and-effect relations, and we seek reassuring explanations for both trivial and serious events. Christians have the added complication of figuring out God's role in making things happen. All Things Wise and Wonderful examines what the Bible and Christian theology say about cause and effect, how science views causation in the world, and how human mind-brains judge causation. Using illustrations from everyday life, it offers guidance for Christians to think and act wisely with respect to how and why things happen in creation.
