This is the official episode guide to the USA Network hit television series Monk, starring two-time Emmy Award winner Tony Shalhoub. Monk is one of the most popular series currently on television. Fans have come to enjoy the antics and erstwhile efforts of obsessive-compulsive Adrian Monk, who was once a rising star with the San Francisco Police Department until the tragic murder of his wife pushed him to the brink of a breakdown. This authorized guide covers the first four extraordinary seasons and is complete with a foreword from the show's creator, Andy Breckman, as well as an afterword from the show's star. Authors Terry J. Erdmann and Paula M. Block were granted exclusive interviews, behind-the-scenes secrets, and total access to the scripts and sets to bring a comprehensive look at one of today's most brilliant defective detectives. This is the ultimate book for fans of Monk!

-- The main target for scams are those 50 years of age or older. -- This book will expose all the latest scams, frauds, and cons -- and can be updated yearly, if necessary, to expose all the latest schemes. Fraud -- credit card fraud, telemarketing scares, Internet scares, identity theft and hundreds of other items that are geared to separate you from your money -- is a multi-billion dollar business, both in the U.S. and worldwide. From a simple three-card monte game on a street corner to sophisticated banking and Wall Street swindles, cons, frauds and scams are destined to strike one in ten Americans this year. Check kiting, ATM scares, bankruptcy fraud, real estate scams, Nigerian money offers, and even slave reparation scams -- there are hundreds, maybe thousands, of ways to get suckered by telemarketers or just plain fast-talking swindlers. Scary stuff, right? This book identifies the myriad of scams, cons, and frauds perpetrated every minute of every day in this country, and gives cutting-edge, up-to-date advice on how you can protect yourself from unscrupulous cons of every conceivable stripe. There will also be an entertaining section on con artists through history, from the infamous grifters of the Great Depression to the masterminds of the recent Enron collapse -- perhaps one of the greatest scams in America's history.

My name is Jeff Friend I have 33 years experience in playing the game of blackjack. I think of this game as a sport, and being a good team player. Having good manners and respect for others is so important. I believe people will enjoy reading this book because it teaches, most miss played hands and good common sense plays, and why we do them. At the end of the day hopefully, you have made some money and gained some friends at the table. In 2010, I was one of the top contenders in tournament play and one of the most consistent winners. It's not how much you win, it's how consistent you win. So many times I am asked to help new players, how to play the game and it's always a privilege to help others. Remember we were all beginners at sometime. The friendships you gain will always be remembered. That's how I gained the name of blackjack Jeff. I always wear a black hat, black coat, and when ever I'm in the casinos, dealers pit boss, and players that know me always have fun.

Chris Ewan's The Good Thief's Guide to Vegas is the next caper in a series that's being called "impressive... comic...fresh" (Publishers Weekly--starred review). Charlie Howard isn't only a part-time crime writer and part-time thief; he's also a magician. For his next trick, he'll relieve Josh Masters, the famous illusionist vying for the affections of Charlie's friend Victoria, of \$60,000 in casino chips stashed in his hotel safe. Revenge would be sweet—if there weren't a dead redhead floating in Masters' bathtub and if Masters hadn't just disappeared in a puff of smoke after cheating at roulette. Convinced that Charlie was in on the scam, the casino's owners give him an impossible mission: either pull off an elaborate heist to reimburse the house for every dollar his "accomplice" made off with, or enjoy a one-way trip into the desert.

Most bachelor parties are flawed in some way -- boring, predictable, uncomfortable, expensive, unstructured. The culprit: bad planning. The Playboy Guide to Bachelor Parties makes a great gift for any man, whether he's planning a traditional raunchy boozefest or a more civilized affair of steaks and scotch. Learn what usually goes wrong and why; the who, when, and where of invitations; how much the night will cost; the ins and outs of cigars, booze, and limousines; and last-minute bachelor party ideas. There are more options than you think! Activities range from the PG-rated fishing, golfing, skydiving, and whitewater rafting to the R-rated strippers and shot glasses. Do you know how to toast the groom? How to call for a stripper—and not get scammed? And what to tell your girlfriend the next day? Playboy, in its 50th year of celebrating bachelorhood, knows best. • Contains complete listings of possible party activities and prices • Includes complete city guides for hotspots like Las Vegas, New Orleans, and Tijuana • Explains brothel terms and stripper scams • Saves party planners money and hassles • Offers a mix-and-match activity chart and to-do checklist • Loaded with entertaining trivia, quotes, toasts, and classic Playboy cartoons

Charlie Howard, gentleman thief and famous crime-writer, has gone straight. But holing himself up in a crumbling palazzo in Venice in an attempt to concentrate on his next novel hasn't got rid of the itch in his fingers. And to make matters worse, a striking Italian beauty has just broken into his apartment and made off with his most prized possession, leaving a puzzling calling card in its place.It looks as though kicking the habit of a lifetime will be much more of a challenge than Charlie thought. Sneaking out into Venice's maze of murky canals, and trying not to relish being back on the job too much, Charlie's efforts to be reunited with his treasured first-edition of The Maltese Falconquickly embroil him in a plot that is far bigger and more explosive than he could ever have imagined. But by the time he finds himself bundling his first ever hostage into a trunk on a speedboat and on the run from the poliziahe has to admit that he is in way too deep.

Vibrant, vivacious and gorgeous, Wendy Shanker is a fat girl who has simply had enough - enough of family, friends, co-workers, women's magazines, even strangers on the street all trying (and failing) to make her thin. With her mandate to change the world - and the humour and energy to do it - Wendy shows how media madness, corporate greed and even the most well-intentioned loved ones can chip away at a woman's confidence. She invites people of all sizes, shapes and dissatisfactions to trade self-loathing for self-tolerance, celebrity worship for reality reverence, and a carb-free life for a guilt-free Krispy Kreme. Wendy explores dieting debacles, full-figured fashions and feminist philosophy while guiding you through exercise clubs, doctors' offices, shopping malls and the bedroom. In the process, she will convince you that you can be fit and fat, even as the weight loss industry conspires to make you think otherwise. The Fat Girl's Guide to Life invites you to step off the scales and weigh the issues for yourself.
