Join the Book Club Chat Newsletter Good book club reads are thought-provoking and lend itself to in-depth discussions. A story about a Mexican mother and son fleeing to the United States seemed like such a good pick for book clubs. But there was more to the story about *American Dirt* including plenty of misleading marketing and promotion.

Book Club Questions for American Dirt by Jeanine Cummins ...

Before you dive into the heavy plot points, character development, themes, or other weighty subjects, start off your book club discussion by finding out everyone's first impression of the book, advises Sadie Trombetta, via Bustle.

A close friendship is one of the most influential and important relationships a human life can contain. Anyone will tell you that! But for all the rosy sentiments surrounding friendship, most people don't talk much about what it really takes to stay close for the long haul. Now two friends, Aminatou Sow and Ann Friedman, tell the story of their equally messy and life-affirming Big Friendship in this honest and hilarious book that chronicles their first decade in one another's lives. As the hosts of the hit podcast *Call Your Girlfriend*, they've become known for frank and intimate conversations. In this book, they bring that energy to their own friendship—its joys and its pitfalls. Aminatou and Ann define Big Friendship as a strong, significant bond that transcends life phases, geographical locations, and emotional shifts. And they should know: the two have had moments of charmed bliss and deep frustration, of profound connection and gut-wrenching alienation. They have weathered life-threatening health scares, getting fired from their dream jobs, and one unfortunate Thanksgiving dinner eaten in a car in a parking lot in Rancho Cucamonga. Through interviews with friends and experts, they have come to understand that their struggles are not unique. And that the most important part of a Big Friendship is making the decision to invest in one another again and again. An inspiring and entertaining testament to the power of society's most underappreciated relationship, *Big Friendship* will invite you to think about how your own bonds are formed, challenged, and preserved. It is a call to value your friendships in all of their complexity. Actively choose them. And, sometimes, fight for them.

Instant New York Times Bestseller “The Guest Book is monumental in a way that few novels dare attempt.” —The Washington Post The thought-provoking new novel by New York Times bestselling author Sarah Blake A lifetime of secrets. A history untold. No. It is a simple word, uttered on a summer porch in 1936. And it will haunt Kitty Milton for the rest of her life. Kitty and her husband, Ogden, are both from families considered the backbone of the country. But this refusal will come to be Kitty's defining moment, and its consequences will ripple through the Milton family for generations. For while they summer on their island in Maine, anchored as they are to the way things have always been, the winds of change are beginning to stir. In 1959 New York City, two strangers enter the Miltons' circle. One captures the attention of Kitty's daughter, while the other makes each of them question what the family stands for. This new generation insists the times are changing. And in one night, everything does. So much so that in the present day, the third generation of Miltons doesn't have enough money to keep the island in Maine. Evie Milton's mother has just died, and as Evie digs into her mother's and grandparents' history, what she finds is a story as unsettling as it is inescapable, the story that threatens the foundation of the Milton

Online Library Book Club Discussion Guide

family myth. Moving through three generations and back and forth in time, *The Guest Book* asks how we remember and what we choose to forget. It shows the untold secrets we inherit and pass on, unknowingly echoing our parents and grandparents. Sarah Blake's triumphant novel tells the story of a family and a country that buries its past in quiet, until the present calls forth a reckoning.

An essential tool for all reading groups! In this comprehensive book club companion, Kathryn Cope guides readers through Elizabeth Strout's acclaimed novel, *Olive, Again*. Designed to make your reading experience more rewarding and enjoyable, this study guide encompasses a wealth of information. Inside this guide you will find a plot summary; literary context; character analysis; a breakdown of themes & imagery; thought-provoking discussion questions, and even a quick quiz. Study Guides for Book Clubs are designed to help you get the absolute best from your book club meetings. They enable reading group members to appreciate their chosen book in greater depth than ever before. Please be aware that this is a companion guide and does not contain the full text of the novel.

A striking and surprising debut novel from an exhilarating new voice, *Such a Fun Age* is a page-turning and big-hearted story about race and privilege, set around a young black babysitter, her well-intentioned employer, and a surprising connection that threatens to undo them both. Alix Chamberlain is a woman who gets what she wants and has made a living, with her confidence-driven brand, showing other women how to do the same. So she is shocked when her babysitter, Emira Tucker, is confronted while watching the Chamberlains' toddler one night, walking the aisles of their local high-end supermarket. The store's security guard, seeing a young black woman out late with a white child, accuses Emira of kidnapping two-year-old Briar. A small crowd gathers, a bystander films everything, and Emira is furious and humiliated. Alix resolves to make things right. But Emira herself is aimless, broke, and wary of Alix's desire to help. At twenty-five, she is about to lose her health insurance and has no idea what to do with her life. When the video of Emira unearths someone from Alix's past, both women find themselves on a crash course that will upend everything they think they know about themselves, and each other.

Winner of the 1921 Pulitzer Prize, *The Age of Innocence* is an elegant, masterful portrait of desire and betrayal in old New York—now with a new introduction from acclaimed author Colm Tóibín for the novel's centennial. With vivid power, Wharton evokes a time of gaslit streets, formal dances held in the ballrooms of stately brownstones, and society people "who dreaded scandal more than disease." This is Newland Archer's world as he prepares to marry the docile May Welland. Then, suddenly, the mysterious, intensely nonconformist Countess Ellen Olenska returns to New York after a long absence, turning Archer's world upside down. This classic Wharton tale of thwarted love is an exuberantly comic and profoundly moving look at the passions of the human heart, as well as a literary achievement of the highest order.

From the number-one bestselling author of *The Nightingale* and *The Great Alone* comes a powerful American epic about love and heroism and hope, set during the Great Depression, a time when the country was in crisis and at war with itself, when millions were out of work and even the land seemed to have turned against them. "My land tells its story if you listen. The story of our family." Texas, 1921. A time of abundance. The Great War is over, the bounty of the land is plentiful, and America is on the brink of a new and optimistic era. But for Elsa Wolcott, deemed too old to marry in a time when marriage is a woman's only option, the future seems bleak. Until the night she meets Rafe Martinelli and decides to change the direction of her life. With her reputation in ruin, there is only one respectable choice: marriage to a man she barely knows. By 1934, the world has changed; millions are out of work and drought has devastated the Great Plains. Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open. Dust storms roll relentlessly across the plains. Everything on the Martinelli farm is dying, including Elsa's tenuous marriage; each day is a desperate battle against nature and a fight to keep her children alive. In this uncertain and perilous time, Elsa—like so many of her neighbors—must make an agonizing choice: fight for the land she loves or leave it behind and go west, to California, in search of a better life for her family. *The Four Winds* is a rich, sweeping novel that stunningly brings to life the Great Depression and the people who lived through it—the harsh realities that divided us as a nation and the enduring battle between the haves and the have-nots. A testament to hope, resilience, and the strength of the human spirit to survive adversity, *The Four Winds* is an indelible portrait of America and the American dream, as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation.

From Laurie Frankel, the New York Times bestselling author of *This Is How It Always Is*, a Reese's Book Club x Hello Sunshine Book Pick, comes *One Two Three*, a timely, topical novel about love and family that will make you laugh and cry...and laugh again. In a town where nothing ever changes, suddenly everything does... Everyone knows everyone in the tiny town of Bourne, but the Mitchell triplets are especially beloved. Mirabel is the smartest person anyone knows, and no one doubts it just because she can't speak. Monday is the town's purveyor of books now that the library's closed—tell her the book you think you want, and she'll pull the one you actually do from the microwave or her sock drawer. Mab's job is hardest of all: get good grades, get into college, get out of Bourne. For a few weeks seventeen years ago, Bourne was national news when its water turned green. The girls have come of age watching their mother's endless fight for justice. But just when it seems life might go on the same forever, the first moving truck anyone's seen in years pulls up and unloads new residents and old secrets. Soon, the Mitchell sisters are taking on a system stacked against them and uncovering mysteries buried longer than they've been alive. Because it's hard to let go of the past when the past won't let go of you. Three unforgettable narrators join together here to tell a spellbinding story with wit, wonder, and deep affection. As she did in *This Is How It Always Is*, Laurie Frankel has written a laugh-out-loud-on-one-page-grab-a-tissue-the-next novel, as only she can, about how expanding our notions of normal makes the world a better place for everyone and how when days are darkest, it's our daughters who will save us all.

The best days of your life might be still to come... When 73 year old Jen announces that she is going to marry Eddie, a man she met just a few months previously on a beach on Boxing Day, her four best friends from aqua aerobics are flabbergasted. The wedding is booked and, when the groom decides to have a stag trip to Las Vegas, the ladies arrange a hen party to beat all others -a week in the city of love, Paris. From misadventures at the Louvre, outrageous Parisian cabarets, to drinking champagne with a dashing millionaire at the casino, Paris lives up to all their hopes and dreams. But a week can change everything, and the women that come home have very different dreams from the ones who got on the plane just days ago. Funny, fearless and with a joie de vivre that reminds you to live every day like it's your last. Judy Leigh has once again written the perfect feel-good novel for all fans of Cathy Hopkins, Dawn French and Fiona Gibson Praise for Judy Leigh's books: 'Brilliantly funny, emotional and uplifting' Miranda Dickinson 'Lovely . . . a book that assures that life is far from over at seventy' Cathy Hopkins bestselling author of *The Kicking the Bucket List* 'Brimming with warmth, humour and a love of life... a wonderful escapade' Fiona Gibson, bestselling author of *The Woman Who Upped and Left* What readers are saying about *Five French Hens* 'It was laugh out loud funny at times and I would definitely recommend giving it a go.' 'highly amusing and gives her characters depth and feeling.' 'very enjoyable novel which I have no hesitation in recommending.' 'The story was great fun, covered each of the ladies in depth, and was very well-written. I loved it and would highly recommend it.' 'their transformation was absolutely awe-inspiring.' 'I enjoyed every bit of the story!' 'This book has a little bit of everything, romance, humor, and suspense' 'this book is a delightful, poignant read - one that reminds readers that life doesn't end when you reach a certain age - in fact, it just gets better.'

A GOOD MORNING AMERICA BOOK CLUB PICK A BELLETRIST BOOK CLUB PICK For fans of *The Hours* and *Fates and Furies*, a bold, kaleidoscopic novel intertwining the lives of three women across three centuries

as their stories of sex, power, and desire finally converge in the present day. Lily is a mother and a daughter. And a second wife. And a writer, maybe? Or she was going to be, before she had children. Now, in her rented Brooklyn apartment she's grappling with her sexual and intellectual desires, while also trying to manage her roles as a mother and a wife in 2016. Vivian Barr seems to be the perfect political wife, dedicated to helping her charismatic and ambitious husband find success in Watergate-era Washington D.C. But one night he demands a humiliating favor, and her refusal to obey changes the course of her life—along with the lives of others. Esther is a fiercely independent young woman in ancient Persia, where she and her uncle's tribe live a tenuous existence outside the palace walls. When an innocent mistake results in devastating consequences for her people, she is offered up as a sacrifice to please the King, in the hopes that she will save them all. In Anna Solomon's *The Book of V.*, these three characters' riveting stories overlap and ultimately collide, illuminating how women's lives have and have not changed over thousands of years.

NEW YORK TIMES BESTSELLER • FINALIST FOR THE ITW THRILLER AWARD • Perfect husband. Perfect father. Perfect liar? “Terrific.”—John Grisham “Superb.”—Lee Child “Breathtaking, heart-pounding.”—Louise Penny “A fast-paced, relentlessly gripping read.”—Chris Pavone Vivian Miller. High-powered CIA analyst, happily married to a man she adores, mother of four beautiful children. Until the moment she makes a shocking discovery that makes her question everything she believes. She thought she knew her husband inside and out. But now she wonders if it was all a lie. How far will she go to learn the truth? And does she really **NEED TO KNOW?** Film rights sold to Universal Pictures for Charlize Theron • Rights sold in more than 20 markets “Shaping up to be one of the year’s biggest new thrillers.”—Entertainment Weekly “So timely . . .
