'Some of us may not have survived': Erin McNaught discusses the 'emotional trauma' of watching SAS Australia as she reminds viewers that 'it may be TV, but the dangers are real'

The only thing worse than being stabbed in the back is being shot in the back; and that's exactly what happens to local bar owner Mitch Taylor. As Clint Wolf and Susan Wilson investigate, the list of suspects begins to grow and it includes the victim's estranged wife. Just when it appears Clint is closing in on the killer, things takes a surprising turn and the entire complexion of the case is changed.As though the twist in the case weren't enough, Clint finds an old photograph that turns his personal life on its head and sets him on a dual quest for answers. Not only is he interrogating suspects, but he also interrogates his mother, and he begins to wonder what will be more difficult--discovering the secret to his past or solving Mitch Taylor's murder. One thing is certain...no one will be the same after this is over.

ALL FOR NAUGHT collects a novella and a novelette: "Naught for Hire" and "Naught Again." "Naught for Hire" is a quirky, action-packed, comedy set just a few years from now. Nick Naught, private eye, walks down some strange mean streets as he tries to stay ahead of the killers on his tail and tries to cope in a world where all the irritations we have with technology are magnified. Gadgets act up in big ways, including voice operated machines that talk back to people. Nick Naught winds up on a hit list, but he doesn't even realize it at first, because the "accidents" are so much like his normal hazardous life. Annette Taylor, Nick's former lover, shows up in his office shortly after she runs into trouble too. "Naught Again" follows Nick's adventures as he looks into trouble at the local cryogenics lab. ALL FOR NAUGHT satirizes the daily frustrations with malfunctioning technology, devices that always seems to fail right when we need them most, and machinery that must have been designed by committee. It lampoons everything from pompous lawyers and the IRS to digital watches and endless lines at the drivers license bureau. It's filled with laugh-out-loud situations that everyone can identify with. Dilbert could relate.

Online version of Common Errors in English Usage written by Paul Brians.

When a woman is found dead on her doorsteps--shot through the heart with an arrow--Clint Wolf and Susan Wilson go to work trying to track down the sadistic killer. On the very next day, a second victim is murdered in his driveway (killed in the same manner) and it's now a race against time to uncover the motive behind the killings and identify the murderer. What they know so far is that he's a skilled archer preying on human targets, and they have no clue where he'll strike next.As though the case itself isn't complicated enough, the district attorney has launched a grand jury investigation into Susan's actions during a shooting that saved Clint's life. No one knows exactly why the DA is gunning for Susan, but one thing is crystal clear...it's personal.

The author describes his 12 years of ministry in Sophiatown from 1944-1956.

Embattled former detective Clint Wolf is the newly appointed police chief for Mechant Loup, a small swampy town in southeast Louisiana. Usually a quiet town, the tranquility of the place is shattered when a human arm is found in the jaws of an alligator. Once it's determined the arm belongs to a reputable business owner, the race is on to find the man and figure out what happened to him. Little does Clint know that solving the case could unearth a plot so evil it would go down as the worst event in Louisiana history . . . and he might not live to see it.(NOTE: Originally published on December 6, 2015 by Amber Quill Press, LLC)

All for Naught tells the story of Richard Melmont, a billionaire many times over. His wife Maria, daughter Barbara, and son Daniel are appalled by his cutthroat methods and even more appalled by the weapons system he is developing. Is he deliberately deceiving government officials, bankers, and the general public, or is he deceiving himself? In The Rise and Fall of President Barry Blue, an experienced White House correspondent is trying to sort through contradictory insider accounts to get a true picture of an elusive president.

"The Book of the Duchess" by Geoffrey Chaucer. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten--or yet undiscovered gems--of world literature, we issue the books that need to be read. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The authoritative history of the South African Special Forces. Nicknamed "The Recces", the men of this famous combat unit were masters in the art of reconnaissance and clandestine warfare. Covers the brutal guerrilla wars in Angola and Namibia from which the Recces emerged as one of the most decorated units in the South African military.

The only thing Clint Wolf and Susan Wilson want to do is get married, but when a man is murdered in a most embarrassing way--shot to death while sitting on a porta potty--their wedding plans are placed in serious jeopardy. With only eight days to go until they say their vows, Clint and Susan go to work trying to find out who might want to kill the victim. There are a number of likely suspects and they all seem to have good reasons for wanting the man dead, but Clint and Susan must figure out who hated him the most.As they work their way through the evidence in search of the truth, they are unknowingly headed for a deadly confrontation. Before it's all over, bullets will start flying and people are going to die...and if they're not careful, one of them might not make it to the altar.
