Once upon a time, Amy's future seemed golden. Training to be a world-class ice dancer with her partner Austin, she dreamed of Olympic glory and the day when Austin would see her as something more than just the little girl he skated with. Then, in the blink of an eye, her whole life changed. Four years later, she's just another face in the crowd at her university journalism program and everyone calls her Mia. Only her closest friends and family know anything about her past or the dreams she used to have. And that's what she thought she wanted, until another twist of fate throws her temporarily back into Austin's world. Can she keep the truth about who she is hidden from the one person who used to know her better than anyone?
