Crimson Wind Horngate Witches 2

Crimson Wind is the 2nd installment of the Horngate Witches series by Diana Pharaoh Francis and can be read by itself but with the vivid cast of characters make it best to be read in order. For fast paced action, drama, angst, and tons of tension, Crimson Wind is your book.

Crimson Wind (Horngate Witches, #2) by Diana Pharaoh Francis

Crimson Wind picks up just a little after the end of Bitter Night, with the Coven trying to recover from the attacks that left them barely standing. Not to mention that tensions are high and the new additions are receiving mixed reviews from the coven, except Alexander.

Crimson Wind Give Away! - Diana Pharaoh Francis

Magicfall is actually the same world as The Horngate Witches books. These books are entirely separate with new characters. Here ' s what it ' s about: Four years ago, my world—the world—exploded with

wild magic. The cherry on top of that crap cake? The supernatural world declared war on humans, and my life went straight to hell.

Diana Pharaoh Francis, writer of Fantasy Adventure

I was pretty excited to start *Crimson Wind*, the second book in Diana Pharaoh Francis' s *Horngate Witches* series. Though the world building lost me in the first book, I was hoping for more clarity in the second book.

Book Review | *Crimson Wind* - Simply Stacie

Max and Giselle have come to an uneasy truce in order to protect what's left of Horngate, their coven's home. Max would do anything for Horngate--even give herself over to a mysterious otherworldly creature in the nearby mountains in exchange for his help. But first, she intends to save the mortal family she left behind.

THERE ARE GOOD GUYS. THERE ARE BAD GUYS. AND THEN THERE ' S MAX. Max knows what trusting the wrong person can cost you. Her former friend Giselle, a powerful witch, enslaved Max years ago, turning her into a Shadowblade—a deadly warrior compelled to fight for Giselle. But there ' s more at stake now than Max ' s thirst for revenge. The Guardians, overseers of the magical world, have declared war on humanity and on any witches not standing with them. Max and Giselle have come to an uneasy truce in order to protect what ' s left of Horngate, their coven ' s home. Max would do anything for Horngate—even give herself over to a mysterious otherworldly creature in the nearby mountains in exchange for his help. But first, she intends to save the mortal family she left behind. And Alexander, the Shadowblade warrior who could be her closest ally or her deadliest enemy, is going with her. On a road trip into the unknown, Max and Alexander face wild magic, desperate enemies, and battles that bruise both body and soul. But the greatest challenge will come from unexpected revelations that test everything Max believes about who she is—and where her loyalties lie. . . .

NEW GAME. SAME RULES. SHE FIGHTS. THEY DIE. Max always does her job, no matter how brutal and bloody. That ' s how it ' s been ever since she was enslaved by a witch, turned into a supernatural warrior, and assigned to protect the coven of Horngate. But her job just got harder. . . . Waves of wild magic have returned much of the world to a time when fairy tales were real and danger now lurks behind every tree and bush. As winter descends and food, heat, and water are harder to come by, many have turned to Benjamin Sterling for protection. Leader of the Earth ' s Last Stand cult, Sterling claims to be the Hand of God, but his power and charisma secretly come from a dark and terrible source. With devout followers eager to do his sadistic bidding, he has his eyes on Horngate and its magical inhabitants. To save those she loves, Max will knowingly walk into a trap. But when the cult strips Max ' s soul bare for all to see, will even Alexander—her lover and her strength—remain? And if she were to lose him, what does it matter if she gains the whole world. . . .

The world is falling apart. The magical apocalypse has come. Now is the time to guard the covenstead against both raiders and refugees. But Max has been stolen by a powerful demi-god who is determined to force her to find a way to use a magical power she never knew she had—even if it kills her. Meanwhile, back in Horngate, a Fury is birthing. When the creature breaks free of the fragile bonds that enclose her, her rage will scour the covenstead from the earth. Max finds herself in the Shadow City, a place of mysteries and magic, where she must battle for her freedom or become a slave to creatures of dreadful greed and power. Back in Horngate, Alexander must swallow his anger and pride if he hopes to defeat the Fury, a creature that no one has ever successfully fought before. In the end, it will be courage, friendship, faith and loyalty that win the day. Or else so one will live to see tomorrow.

A young heroine and her goshawk companion face wizards and gods in the first of a trilogy: " I thoroughly enjoyed Path of Fate " (Kristen Britain). Orphaned by her mother and passed from family to family in the village of Kallas in the land of Kodu Riik, Reisil feels as if she will never truly belong. But her training as a tark, or healer, offers her the promise of acceptance by the townsfolk, and as her talents emerge, it appears she will finally be able to hold her head high. But fate has another path in store: A goshawk named Saljane swoops into her life, and Reisil discovers that she is able to communicate telepathically with the animal. This is an undeniable sign that Reisil has been chosen by Lady Amiya, the goddess of Kodu Riik, to become an ahalad-kaaslane—a guardian of the land who must live a life of constant travel and forgo the very bonds of family and community the girl healer so desires. Though the role of ahalad-kaaslane is a noble one, Reisil cannot bear the thought of losing the ties with society she has worked so hard to form. She rejects the Lady ' s appointment, ignoring the goshawk no matter how persistently it follows her. But when a kidnapping plot breaks a treaty with the neighboring country of Patverseme, Reisil realizes the sentient bird of prey is the only creature capable of tracking the traitors down and saving Kodu Riik from the evils of war. Reluctantly, Reisil accepts her destiny as an ahalad-kaaslane, and embarks on a dangerous pursuit of the kidnappers—and a perilous trek of self-discovery—in order to save two kingdoms. A feminist fantasy of honor and perseverance that features a special soul-to-soul bond with a blessed animal, Path of Fate was nominated for the Mary Roberts Rinehart Award.

The healer Reisil and her goshawk companion must work with wizards—who were once enemies—in this tale filled with " likable characters and plenty of action " (Locus). One year after the events of Path of Fate, in which the healer Reisil joined the ranks of the guardian and defenders, the ahalad-kaaslane, the young journeywoman feels disillusioned. Her fellow ahalad-kaaslane are fearful of her, and she does not fit in with the magilanes either—those priests and priestesses who, like her, share a telepathic bond with predator birds. To make matters worse, the blessed Lady Amiya, the goddess of Kodu Riik, whom Reisil serves, seems to have abandoned her people. Deathly plagues, drought, and famine ravage the country; mysterious creatures attack people in the mountains; and the ruling lisand has gone into seclusion. Reisil tries to help her countrymen, but is horrified to find that she has lost her ability to heal. When she catches wind of a group of mysterious ambassadors who are visiting the royal family in secret, she fears they have an evil agenda. Without power, and with only the companionship of her intelligent but enigmatic goshawk, Saljane, Reisil is determined to figure out what is truly ailing the land. She soon realizes that she must seek out the very wizards she once fought against in order to defeat the plague—and to do so, she must also come to terms with the destructive force within herself. For lovers of strong female characters and compelling animal companions, Path of Honor is the suspenseful second installment of an emotionally gripping fantasy series, replete with a sinister plot, dark magic, and mystery lurking at every turn.

View our feature on Dianne Sylvan's Queen of Shadows Meet Miranda Grey—music and magic are in her blood. Overwhelmed by her uncanny ability to manipulate people's emotions through her music, Miranda Grey comes to the attention of vampire lord David Solomon. Believing he can help bring her magic under control, David discovers that Miranda's powers may affect the vampire world too...

4 1/2 Stars TOP PICK --RT Magazine "Best book of the year!" --Faith Hunter, New York Times Bestselling Author of the Jane Yellowrock series Even the most powerful tracers can't track you if the magical trace you leave behind is too old. But I can track almost anything, even dead trace. That makes me a unicorn, the Tooth Fairy, the Easter Bunny, and the Loch Ness Monster all rolled into one. In a word, I am unique. A very special snowflake. And if anyone ever finds out, I'll be dead or a slave to one of the Tyet criminal factions. Riley Hollis has quietly traced kidnapped children and quietly tipped the cops to their whereabouts one too many times. Now she's on the radar of Detective Clay Price, a cop in the pocket of a powerful magic Tyet faction. When he blackmails her into doing a dangerous trace for him, Riley will have to break every rule that keeps her safe. Or become a Tyet pawn in a deadly, magical war. "Diana Pharaoh Francis has crafted a winning paranormal mystery that mixes sizzling sex, magic, and a decades old search for artifacts that could change their world." --Jeanne Stein, Bestselling Author of The Anna Strong Chronicles "Trace of Magic caught me up fast and pulled me in tight for a fun, action-and-sass adventure full of deadly magic and dangerous romance. Diana Pharaoh Francis delivers a downright terrific read." --Devon Monk, nationally Bestselling Author of Hell Bent

"The Witchkin Murders is a supernatural police procedural with interesting characters who are full of secrets and a plot that is full of twists and turns. A fun read." --Anne Bishop, New York Times bestselling author of Wild Country Four years ago, my world--the world--exploded with wild magic. The cherry on top of that crap cake? The supernatural world declared war on humans, and my life went straight to hell. I used to be a detective, and a damned good one. Then Magicfall happened, and I changed along with the world. I'm witchkin now--something more than human or not quite human, depending on your perspective. To survive, I've become a scavenger, searching abandoned houses and stores for the everyday luxuries in short supply--tampons and peanut butter. Oh, how the mighty have fallen, but anything's better than risking my secret. Except, old habits die hard. When I discover a murder scene screaming with signs of black magic ritual, I know my days of hiding are over. Any chance I had of escaping my past with my secret intact is gone. Solving the witchkin murders is going to be the hardest case of my life, and not just because every second will torture me with reminders of how much I miss my old life and my partner, who hates my guts for abandoning the department. But it's time to suck it up, because if I screw this up, Portland will be wiped out, and I'm not going to let that happen. Hold on to your butts, Portland. Justice is coming, and I don't take prisoners. About the Author: Diana Pharaoh Francis is the acclaimed author of a dozen novels of fantasy and urban fantasy. Her books have been nominated for the Mary Roberts Rinehart Award and RT's Best Urban Fantasy. The Witchkin Murders is the first book in her exciting new urban fantasy series--Magicfall. Visit her at dianapfrancis.com, and find her on Facebook.

Imprisoned, with their psychic abilities blocked, Aden and Zaira must escape and survive to keep the Arrow squad safe from a shadowy enemy. By the author of Shield of Winter. 75,000 first printing.
