Dragon's Gift Complete Series: An Urban Fantasy Boxed Set

Three dragons. One woman. A reverse harem fantasy that will leave you breathless and begging for more... Dareena Sellis is a nobody. The orphaned daughter of a no-name farmer, she toils away as a serving girl at Hallowdale Inn, her only marriage prospects either shipping off to war, or pawing at her skirts with their grubby, gnarled hands. But fate takes a strange turn the day a dragon huntress comes to town. Suddenly, Dareena is swept off to Dragon's Keep, trading in her raggedy dresses for silken gowns, her closet-sized room for feather pillows and spacious gardens, and her miserable suter for three very handsome, veryvirile dragon princes. For Dareena is not a nobody. She is the Dragon's Gift--the one woman chosen by the gods every century to bear children for the future king of Dragonfell. Despite her pre-ordained path, Dareena's fate is far from certain. The crown has not given birth to more than one son in nearly a thousand years, and the line of succession is far from clear. Neither of the princes are willing to cede Dareena to the other, and she must choose. For the enemy is knocking on Dragonfell's door, and Dareena's decision could either mean the kingdom's salvation... ..or annihilation.

In a world of suppressed magic, I'm an Unknown. Deadly power, little control. I'm only alive because I pay a Blood Sorcerer to keep me hidden. But when he comes to collect on the debt I can't pay, one of his goons slams me with a deadly curse. Suddenly, I'm out of options and out of time.When I'm given a rare chance to join the secretive Undercover Protectorate and train at their academy to become an investigator, I have a way to hunt the cure for the curse. They have resources I don't. Easy, since I'm broke.Seems like a good plan, right? At least, until they tell me Cade will be joining me on my hunt for the Blood Sorcerer. He's an actual Celtic war god--and the hottest guy I've ever seen. The catch? I can't let him know that I'm an Unknown, or I'm out on my ass and deader than Hades.

I'm good at two things: finding treasure and killing demons. Lying low is a close third-but not because I want to be good at hiding. I have to be. I'm a FireSoul, one of the unlucky few to inherit a piece of the dragon's soul. Being born with the dragon's covetousness should be a sweet gig - I have the power to find and steal any type of treasure, including the powers of other supernaturals. But it doesn't come without a price - stealing powers requires that I kill, and others would destroy me if they discover what I am. In a world full of magic, hiding my species is the only way to survive. Finding magical artifacts is the only way to pay the bills. It's a dangerous job when you can barely use your magic, but that's one of the things I like about it. When Aidan Merrick, the most powerful shifter in the city, hired me to find an ancient scroll, I didn't want to take the job. His immense amount of power reminds me of too much of murky memories from a past I can't remember. But I don't have a choice. The scroll reveals what I am. And if anyone finds out, I'm dead.

Is China a rogue donor, as some media pundits suggest? Or is China helping the developing world pave a pathway out of poverty, as the Chinese claim? In the last few years, China's aid program has leapt out of the shadows. Media reports about huge aid packages, support for pariah regimes, regiments of Chinese labor, and the ruthless exploitation of workers and natural resources in some of the poorest countries in the world sparked fierce debates. These debates, however, took place with very few hard facts. China's tradition of secrecy about its aid fueled rumors and speculation, making it difficult to gauge the risks and opportunities provided by China's growing embrace. This well-timed book, by one of the world's leading experts, provides the first comprehensive account of China's aid and economic cooperation overseas. Deborah Brautigam tackles the myths and realities, explaining what the Chinese are doing, how they do it, how much aid they give, and how it all fits into their "going global" strategy. Drawing on three decades of experience in China and Africa, and hundreds of interviews in Africa, China, Europe and the US, Brautigam shines new light on a topic of great interest. China has ended poverty for hundreds of millions of its own citizens. Will Chinese engagement benefit Africa? Using hard data and a series of vivid stories ranging across agriculture, industry, natural resources, and governance, Brautigam's fascinating book provides an answer. It is essential reading for anyone concerned with China's rise, and what it might mean for the challenge of ending poverty in Africa.

I thought that losing my magic was the worst thing in the world. I was wrong. Becoming demon touched was far worse. Now, I

We're almost out of time. Magic Side is under attack and the prison has been cursed. If I can't break the spell, my city will be overrun. The problem is, my magic is out of control, and I can't fight this battle alone. There's only one person to turn to--Damian Malek. But my strongest ally might also be my greatest threat. I've discovered what Damian is, and it's far worse than just being a fallen angel. I don't trust him, and it's too dangerous to be around him. My very soul, and my magic, are at risk. But I have no choice. Only Damian knows the truth of what is really going on, and he'll only share it with me. We've got to bargain with vampires and demons, battle mythical monsters, and expose the lost secrets of a ruined temple before time runs out. Will he help me save the city I love, or is it a trap to take everything I hold dear? An action-packed urban fantasy. Cursed Angel features a rebel heroine, a dark angel hero, and slow burn romance. Prepare yourself for edge-of-your-seat adventure amongst ancient ruins and mythical places. If you enjoyed the archaeology, history, and daring in Linsey Hall's original Dragon's Gift books, this adventure is for you!

Where winning means survival According to legend, I'm supposed to be some kind of all-powerful DragonGod-gifted with the magic of gods. Instead, I'm a dud. In fact, I'm currently failing out of the Undercover Protectorate's magical institute. It's the supernatural version of Scotland Yard, and I've got one chance left to earn my place here. To do so, I have to compete in a deadly race across the world. In order to win, I need to survive. And I'll need the help of a sexy and powerful shifter mage named Lachlan Munroe. When we figure out that the race is rigged, Lachlan and I must rely on each other to make it through. But will I be able to learn enough magic to save my life?

I've been betrayed.I spent years hiding my magic from the world, but now I've got new powers I can't control. Everyone around me is at risk, and if my secret is revealed, I'll be hunted.But I don't have time to worry about the monster I might become.Someone has stolen a dangerous artifact that could turn my world upside down. It could get me and my friends killed and bring destruction down on my city.Is Damien Malek to blame?He's a fallen angel. Handsome and lethal. A thief and a liar. And he's betrayed me before. My fated mate is a lethal fae king. And I'm going to kill him. Ever since the Court of Flames banished me, I've managed to hide my true nature--Chosen One of the Fire Fae, destined to save us all. Truth is, I'm not that impressive. I've spent my banishment hunting demons for fun and slinging drinks at Potions & Pastilles. But then the lethally sexy king of the Court of Ice finds me. He's been hunting me for years and wants to claim me as his fated mate. But it gets darker. He plans to sacrifice me to save his dying kingdom. One touch changes everything though, because I'm the only one who can warm him. I'm going to use that to my advantage and convince him to return with me to the Court that banished me years ago. There, I will kill him before he kills me. But I'm playing with fire, because I'm not sure if I can I resist him long enough to change my fate.

Stolen from her homeland. Separated from her mates. Is there any hope for Dareena and her dragons? Or is their kingdom destined to fall? When Drystan and his brothers managed to drive their madness-stricken father from the throne, Dareena thought the worst of their troubles were over. But the elves are knocking at their door, demanding reparations, and with a new general at the helm, they will not let Dragonfell off the hook so easily. To buy their kingdom time, and save their armies from certain destruction, Dareena and Alistair allows themselves to be taken to Elvenhame, where they will be held hostage until the countries can come to an agreement. But while the two kingdoms squabble, the real enemy continues its insidious assault. Both Dragonfell and Elvenhame unknowingly teeter on the brink of destruction, and unless Dareena and her mates can uncover the true conspiracy, their world will fall to darkness...
