to deliver content to students and how to mirror the way instructors have told us they teach. The authors have organized this edition into a new three-section approach: 1. The CONCEPTS section focuses on the overarching accounting concepts that require consistent reiteration throughout the course. 2. The ACCOUNTING APPLICATIONS section helps students apply the accounting procedures with features such as Apply It! and a new transaction analysis model. 3. The BUSINESS APPLICATIONS section illustrates how concepts and procedures are used to make real-world business decisions.
