Newly revised in line with the latest syllabus and with a modernised, student-friendly design, including a truly interactive CD which provides additional practice for students and brings lab work to life with exciting activities and simulations.

Traces Puerto Rican industrialization since the 1950s from the point of view of a young girl, covering incidents that are important to children but often dismissed as trivial by adults

This book of ten multiple choice practice tests is designed especially for students preparing for the CXC General Proficiency examinations in Mathematics. All the questions are patterned along the lines of those used in the CXC examination and each test follows the format of the examination itself. The tests are clearly laid out to enable ease of use and marking.

These Study Guides have been developed exclusively with the Caribbean Examinations Council (CXC(r)) to be used as an additional resource by candidates who are following the Caribbean Secondary Education Certificate (CSEC(r)) programme. They provide candidates with extra support to help them maximise their performance in their examinations.

CSISE2011 is an integrated conference concentrating its focus upon Computer Science, Intelligent System and Environment. In the proceeding, you can learn much more knowledge about Computer Science, Intelligent System and Environment of researchers all around the world. The international conference will provide a forum for engineers, scientist, teachers and all researchers to discuss their latest research achievements and their future research plan. The main role of the proceeding is to be used as an exchange pillar for researchers who are working in the mentioned field. In order to meet high standard of Springer's Advances in Intelligent and Soft Computing ,the organization committee has made their efforts to do the following things. Firstly, poor quality paper has been refused after reviewing course by anonymous referee experts. Secondly, periodically review meetings have been held around the reviewers about five times for exchanging reviewing suggestions. Finally, the conference organization had several preliminary sessions before the conference. Through efforts of different people and departments, the conference will be successful and fruitful. We hope that you can get much more knowledges from our CSISE2011, and we also hope that you can give us good suggestions to improve our work in the future.

Developed with the Caribbean Examinations Council, this Study Guide provides you with support to maximise your performance in CSEC Physical Education and Sport. Written by teachers, examiners and experts in the field, it covers all elements of the syllabus in an easy-to-use double-page-spread format with a range of features to enhance study.
