WHY versus WHY NOT? Why did God place us in a world full of pleasures if we aren't meant to pursue them all? In an imaginative dialogue, Oscar Wilde asks Jesus Christ to respond to this question about critical lifestyle choices. Their talk vividly illustrates the arguments for both sensual pleasure-seeking and moral moderation. Playwright, dramatist, poet, critic—Wilde openly defied the mores of Victorian society. His literary repartee fueled an “if it feels good, do it” humanistic philosophy that is still prevalent in the world today. SO WHAT does JESUS SAY?

Set in California, Liars and Saints follows four generations of the Catholic Santerre family from World War II to the present. In a family driven as much by jealousy and propriety as by love, an unspoken tradition of deceit is passed from generation to generation. When tragedy shatters their precarious domestic

By turns funny and disturbing, irreverent and profound, *Liars and Saints* is a masterful display of Maile Meloy's prodigious gifts and of her penetrating insight into an extraordinary American family and into the nature of human love. "Meloy may be the first great American realist of the twenty-first century: The Santerres aren't real but they feel like they are, and the reader will not soon forget them" (The Boston Globe).
