After being released from prison and winning South Africa's first free election, Nelson Mandela presided over a country still deeply divided by fifty years of apartheid. His plan was ambitious if not far-fetched: use the national rugby team, the Springboks—long an embodiment of white-supremacist rule—to embody and engage a new South Africa as they prepared to host the 1995 World Cup. The string of wins that followed not only defied the odds, but capped Mandela's miraculous effort to bring South Africans together again in a hard-won, enduring bond. Watch a Video

oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. **LONG WALK TO FREEDOM** is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.

Fifteen-year-old Ian must complete community volunteer service to pass social studies. Choosing to work at "The Club" sounds like fun, until he arrives at what turns out to be a soup kitchen for the homeless. It is here that he meets Sarge, the pipe-wielding homeless man who saved Ian from a near-mugging. His real name is Jacques, and he was a soldier in the Canadian Armed Forces. His last tour of duty was as a peacekeeper stationed in Rwanda, an African nation Ian knows little about. What he learns will change Ian's view of the world--and may just help Jacques, too. With a Foreword by Lieutenant-General Romeo Dallaire (Ret'd), force commander for the United Nations Mission to Rwanda, "Shattered" is an unforgettable story, one that asks what one person can do to make a difference.

A heart-stopping adventure that defies time and space--New York Times bestselling author Marie Lu calls it "an incredibly intricate, brilliantly paced, masterfully written journey." Farway Gaius McCarthy was born outside of time. The son of a time traveler from 2354 AD and a gladiator living in ancient Rome, Far's very existence defies the laws of nature. All he's ever wanted was to explore history for himself, but after failing his entrance exam into the government program, Far will have to settle for a position on the black market--captaining a time-traveling crew to steal valuables from the past. During a routine heist on the sinking Titanic, Far meets a mysterious girl named Eliot who always seems to be one step ahead of him. Eliot has secrets--big ones--that will affect Far's life from beginning to end. Armed with the knowledge that history is not as steady as

Tired of Trying to Win Approval and Escape Rejection? Peer pressure, codependency, shame, low self-esteem; these are just some of the words used to identify how people are controlled by others' opinions. Why is it so important to be liked? Why is rejection so traumatic? Edward T. Welch's insightful, biblical answers to these questions show that freedom from others' opinions and genuine, loving relationships grow as we learn about ourselves, others, and God. This interactive book includes questions for individual or group study and is suitable for teenagers and young adults.

place is Salem, Massachusetts, in 1692, an enclave of rigid piety huddled on the edge of a wilderness. Its inhabitants believe unquestioningly in their own sanctity. But in Arthur Miller's edgy masterpiece, that very belief will have poisonous consequences when a vengeful teenager accuses a rival of witchcraft—and then when those accusations multiply to consume the entire village. First produced in 1953, at a time when America was convulsed by a new epidemic of witch-hunting, *The Crucible* brilliantly explores the threshold between individual guilt and mass hysteria, personal spite and collective evil. It is a play that is not only relentlessly suspenseful and vastly moving but that compels readers to fathom their hearts and consciences in ways that only the greatest theater ever can. This book is about humanity and the realization that instead of a right to life, rather we receive the gift of life. Every gift involves a giver and a recipient. Who or what is the giver? As recipient, I can either accept or reject the gift. What does that mean? Am I a blip in the evolutionary process, or am I a creature burdened or blessed with a purpose in life? And what does that mean?

The late 1980s were a dismal time inside South Africa. Mandela's African National Congress was banned. Thousands of ANC supporters were jailed without charge. Government hit squads assassinated and terrorized opponents of white rule. Ordinary South Africans, black and white, lived in a perpetual state of dread. Journalist Patti Waldmeir evokes this era of uncertainty in *Anatomy of a Miracle*,

her comprehensive new book about the stunning and-historically speaking-swift transformation of South Africa from white minority oligarchy to black-ruled democracy. Much that Waldmeir documents in this carefully researched and elegantly written book has been well reported in the press and in previous books. But what distinguishes her work is a reporter's attention to detail and a historian's sense of sweep and relevance. . . . Waldmeir has written a deeply reasoned book, but one that also acknowledges the power of human will and the tug of shared destiny."-Philadelphia Inquirer

George Orwell's celebrated novella, *Animal Farm*, is a biting, allegorical, political satire on totalitarianism in general and Stalinism in particular. One of the

most famous works in modern English literature, it is a telling comment on Soviet Russia under Stalin's brutal dictatorship based on a cult of personality which was enforced through a reign of terror. The book tells a seemingly simple story of farm animals who rebel against their master in the hope of stopping their exploitation at the hand of humans and creating a society where animals would be equal, free and happy. Ultimately, however, the rebellion is betrayed and the farm ends up in a state as bad as it was before. The novel thus demonstrates how easily good intentions can be subverted into tyranny. Orwell has himself said that it was the first book in which he had tried, with full consciousness of what he was doing, "to fuse political purpose and artistic purpose into one whole." The book was first published in England in 1945, and has since then remained a favourite
