Ambushed. Blindfolded. Kidnapped by vampires. Edie Spence must race against time to save herself and her baby—from the nightmare that flows through her veins... As a nurse in the hospital's secret Y4 ward, Edie has seen her share of daytimers. Once-ordinary humans who've tasted vampire blood, daytimers are doomed to serve their nighttime masters. Forever. And now Edie has to face something even more horrifying: she's become one too... BLOODSHIFTED Abducted by the vampire Raven, Edie is taken to the catacombs beneath the Catacombs, an ironically-named L.A. night club that supplies fresh blood and other favors for its vampire Masters. Edie has no intention of swapping her nurse's uniform for a cocktail dress—not when her newborn infant needs her. But if she and Asher—her shapeshifter fiancé—can't figure out a way to bleed Raven's power, they may never get out of this plasma-soaked pleasure palace...undead or alive. "Alexander takes her noir urban fantasy to a new level...a lively, addictive story that leaves you wanting more."—RT Book Reviews on Shapeshifted "Cassie Alexander's first book about Nurse Edie Spence is dark and energetic.
