Annotation. Originally published in 1988, this revised and expanded edition of Donald C MacDonald & apos;s acclaimed memoirs provides an inside look at provincial politics in Ontario through the eyes of a party leader. Dubbed & apos;the Happy Warrior & apos; by Tommy Douglas, MacDonald led the Ontario CCF/NDP for seventeen years, and continued to sit in the Legislature for twelve years after stepping down as party leader. During his political career, MacDonald played a significant role in the rise of the CCF/NDP, and provided a strong voice for the left wing in the Legislature. He also witnessed and criticised various scandals that plagued ruling parties.

Sonnenfeld and Ward show how to rise Phoenix-like from the ashes. Their account of the psychological and behavioral foundations of that important quality resilience is important reading for everyone who will ever face a reversal of fortune. Jeffrey Pfeffer, Thomas D. Dee II Professor of Organizational Behavior, Graduate School of Business, Stanford University Is it possible to rescue your career and restore your reputation after a major professional setback? In an age rife with press accounts of disgraced CEOs, politicians, and celebrities as well as courageous but beleaguered whistleblowers and victims of rivals or envious colleagues and bosses this question has grown more important than ever. In *Firing Back*, Jeffrey Sonnenfeld and Andrew Ward answer the question with a resounding Yes. They go on to lay out a practical and an important five-step process for actually recovering from setbacks. Following these steps will help guide you through the difficult circumstances, rebuild your reputation, and chart a new future. The authors also explore strategies for surmounting common barriers to career recovery, including tricky corporate cultures and psychological stresses. Anchored in decades of research and scholarly studies across multiple fields, this book is packed with engrossing stories and first-hand accounts from humbled but restored CEOs and executives from firms as diverse as General Electric, The Home Depot, Morgan Stanley, Apple, Staples, and Hewlett-Packard. *Firing Back* offers a clear plan for anyone who needs to recover from a career setback and reclaim lost prestige and reputation whether the setback stemmed from his own actions or forces outside her control.

Quick two-page read-aloud plays to spark student interest in ancient world history. Perfect for kicking off a new lesson or reviewing material. Topics include the first Pyramid, the Han Dynasty, Romulus and Remus—and 22 more! Plus, background information, standards-based research activities, and resource tips. For use with Grades 4-8.

Young S. Chae analyzes the puzzling association of the Son of David with Jesus' healing ministry in the First Gospel. This, along with the Gospel's rich shepherd/sheep images and the theme of the restoration of the lost sheep of the house of Israel, finds a significant clue in the picture of Jesus as the eschatological Davidic Shepherd according to the pattern of the Davidic Shepherd tradition in the Old Testament and Second Temple Judaism. As Matthew communicates the identity and mission of Jesus, he is conversant with this tradition, particularly Ezekiel 34 and 37 as well as Micah 2-5 and Zechariah 9-14. The story of the First Gospel is the story of the return of YHWH as the eschatological Shepherd for the lost sheep of Israel and also that of the one Davidic Shepherd-Appointee as the eschatological Teacher-Prince in the midst of his one eschatological flock.

#1 NEW YORK TIMES BESTSELLER □ Over two million copies sold! “Packed with incredible insight about what it means to be a woman today.”—Reese Witherspoon (Reese's Book Club x Hello Sunshine Book Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine □ The Washington Post □ Cosmopolitan □ Marie Claire □ Bloomberg □ Parade □ “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of City of Girls and Eat Pray Love This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of

numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: *There She Is*. *Untamed* shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.
