The celebrated chief executive officer of Chrysler Corporation offers a straightforward account of his career at Ford, of the recent resurgence of Chrysler, and of what is wrong and right with American business

The allure of beautiful and rare cars is timeless. Since the dawn of the automotive age, people have aspired to own and drive the fastest, the coolest, and the most expensive cars on the road. Million Dollar Classics: The World's Most Expensive Cars is a lavish photographic collection of some of the most sought after models that have been made available for auction in recent years. All of the cars featured in this elegant book attained auction prices upward of \$1,000,000, making them the most desired cars in the world; as well as the most expensive. Captured on camera by specialist automobile photographer Simon Clay, the stunning images in this book are accompanied by an informative text that gives the reader the specs, history and other fascinating details of these dream vehicles. This book is perfect for any automobile lover, or collector and includes vehicles created by Mercedes-Benz, Bugatti, Alfa Romeo, Ferrari, Jaguar, Maserati, and Aston Martin.

"The former vice chairman of General Motors and author of Car Guys vs. Bean Counters profiles the positive and negative leaders who made the strongest impression on him throughout his extensive career, sharing illuminating anecdotes that provide today's managers with leadership examples to emulate or avoid."

Two top experts in topology, O.Ya. Viro and D.B. Fuchs, give an up-to-date account of research in central areas of topology and the theory of Lie groups. They cover homotopy, homology and cohomology as well as the theory of manifolds, Lie groups, Grassmanians and low-dimensional manifolds. Their book will be used by graduate students and researchers in mathematics and mathematical physics.

Everything around us is designed and the word 'design' has become part of our everyday experience. But how much do we know about it? Fifty Chairs That Changed the World imparts that knowledge listing the top 50 chairs that have made a substantial impact in the world of British design today. From Thonet's 1870 Side Chair to Konstantin Grcic's Chair\_One, each entry offers a short appraisal to explore what has made their iconic status and the designers that give them a special place in design history.

The Meno, one of the most widely read of the Platonic dialogues, is seen afresh in this original interpretation that explores the dialogue as a theatrical presentation. Just as Socrates's listeners would have questioned and examined their own thinking in response to the presentation, so, Klein shows, should modern readers become involved in the drama of the dialogue. Klein offers a line-by-line commentary on the text of the Meno itself that animates the characters and conversation and carefully probes each significant turn of the argument. "A major addition to the literature on the Meno and necessary reading for every student of the dialogue."—Alexander Seasonske, *Philosophical Review* "There exists no other commentary on Meno which is so thorough, sound, and enlightening."—Choice

Jacob Klein (1899-1978) was a student of Martin Heidegger and a tutor at St. John's College from 1937 until his death. His other works include Plato's Trilogy: Theaetetus, the Sophist, and the Statesman, also published by the University of Chicago Press.

A Companion to Medieval Christian Humanism explores Christian humanism in the writings of key medieval thinkers. It explores questions pertaining to human dignity, the human person ' s place in the cosmos, and the educational ideals involved in shaping the human person.

Born and raised in Massachusetts, her family's home since the 1630s, Hannah Howell is the author of over thirty Zebra historical romances. Her love of history prompts the choice of venue, and also her dragging her husband Stephen, to every historical site she can get to. Her fascination with the past makes research as much a pleasure as a necessity. It was a thrill for her to turn her love of history and writing into a career, one that allows her to share those loves with others.
