allows you to present the most current material, help students apply theory and show relevance of management concepts in the real world—so your student will succeed in your course and beyond.

We've got you covered for Principles of Management with John Schermerhorn's Management 12th Edition. From new cases and self-assessments to the Fast Company Video Series and Management Weekly Updates, the text and its comprehensive suite of resources promote critical thinking and active learning. Thoroughly updated while maintaining its trusted, balance of concepts and applications, Management 12th Edition allows you to present the most current material, help students apply theory and show relevance of management concepts in the real world—so your student will succeed in your course and beyond.

This new edition introduces the essentials of management as they apply within the contemporary work environment. It pays particular attention to cultural diversity, the global economy, ethical behaviour, and social responsibility.

The new edition of Organizational Behavior includes a rich array of exercises, cases, and applied materials such as the Kouzes and Posner Leadership Practices Inventory and Pfeiffer Annual Edition exercises available in the OB Skills Workbook. It also focuses more on the hot topic of ethics throughout the entire book to ensure it is contemporary and engaging. The text also introduces two brand new key features 'Finding the Leader in You" and "Taking it Online". "Finding the Leader in You", discusses leading in the workplace in a personal and applied way. The goal is to make the material more relevant and applicable to today's readers. The "Taking it Online" feature will take the reader from the book to an online case, activity, self-assessment, or video clip of the leader they are reading about.

Exploring Management supports teaching and learning of core management concepts by presenting material in a straight-forward, conversational style with a strong emphasis on application. With a focus on currency, high-interest examples and pedagogy that encourages critical thinking and personal reflection, this text is the perfect balance between what students need and what instructors want.

We've got you covered for your Principles of Management course with Schermerhorn/Bachrach, Management 13th Edition. With new cases, more opportunities for self-assessment and the Management Weekly Updates news blog, the text and its comprehensive suite of resources promote critical thinking and active learning. Thoroughly updated while maintaining its trusted balance of concepts and applications, Management 13th Edition presents the most current material to apply theory and show relevance of management concepts in the real world—for students to succeed in your management course and beyond.

Completely updated and revised, this eleventh edition arms managers with the business tools they'll need to succeed. The book presents managerial concepts and theory related to the fundamentals of planning, leading, organizing, and controlling with a strong emphasis on application. It offers new information on the changing nature of communication through technology. Focus is also placed on ethics to reflect the importance of this topic, especially with the current economic situation. This includes all new ethics boxes throughout the chapters. An updated discussion on the numerous legal law changes over the last few years is included as well. Managers will be able to think critically and make sound decisions using this book because the concepts are backed by many applications, exercises, and cases.

The second edition of this text has been thoroughly updated, continuing its strong emphasis on the importance of the Asian region to contemporary Australian and New Zealand organisations. Many Asian case examples are featured to illustrate key management concepts, and these provide a useful basis for comparison with management practices in Australia and New Zealand. Numerous practical examples throughout the text highlight contemporary management issues, such as: workplace diversity sustainability ethics/corporate social responsibility the impact of technology innovation in the workplace globalisation employee engagement flexible working arrangements work-life balance generational issues in the workplace skills shortages in various industries the importance of effective employee recruitment and training organisational culture workforce flexibility and casualisation the 24/7 nature of contemporary communication technology, including social media outsourcing Management, Foundation and Applications, 2nd Asia-Pacific edition, has also retained the features that made its previous edition so popular with students and lecturers, including the Career Readiness Workbook activities at the end of the book, and the accompanying Interactive Study Guide with its vast array of multimedia resources.
