This reference develops the fundamental concepts of compressible fluid flow by clearly illustrating their applications in real-world practice through the use of numerous worked-out examples and problems. The book covers concepts of thermodynamics and fluid mechanics which relate directly to compressible flow; discusses isentropic flow through a variable-area duct; describes normal shock waves, including moving shock waves and shock-tube analysis; explores the effects of friction and heat interaction on the flow of a compressible fluid; covers two-dimensional shock and expansion waves; provides a treatment of linearized flow; discusses unsteady wave propagation and computational methods in fluid dynamics; provides several numerical methods for solving linear and nonlinear equations encountered in compressible flow; offers modern computational methods for solving nonintegrable equations; and describes methods of measurement in high-speed flow. Suitable for the practicing engineer engaged in compressible-flow applications.

After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend , and her soul makes a first step to healing.

This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

The book's accompanying Interactive learning environment on siteprebuilder.com gives you an online place to enhance and extend your practical experience through exercises, consolidate your learning and theoretical knowledge with marked quizzes, interaction with your WordPress marketing community, and fun and exciting extras such as challenges and competitions. This book is for people already using WordPress, who want more visitors, better visitors, and to convert more of them into paying customers. No prior marketing experience is required, although a basic understanding of either hosted or self-hosted WordPress blogs is assumed.

Hatchback inc. special/limited editions. Does NOT cover features specific to Van. Does NOT cover models with 16-valve petrol engines (XSi, GTi, Grand Tourisme etc) or Cabriolet. Petrol: 1.1 litre (1124cc), 1.4 litre (1360cc) & 1.6 litre (1587cc) 8-valve. Diesel: 1.9 litre (1868cc) & 2.0 litre (1997cc) inc. turbo.

Nell, an out-of-work professional submissive, is desperate to find a job when she meets handsome film star Jeremy Gray at the restaurant where she works. He says he needs a personal assistant, but the work contract he shows her details not organizational duties, but sexual ones. Jobless and homeless, Nell agrees to work for him anyway, on the promise that he will pay for her to finish her college degree when her stint as his "assistant" is complete. The start of their formal Dom/sub relationship is rocky, but they soon fall into a mutually satisfying, highly sexual routine. They play vanilla boyfriend and girlfriend in public, while Jeremy uses Nell as his kinky comfort object behind the scenes. Then a stalker threatens their secret lifestyle, and their contract may not be strong enough to hold them together. This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, strong BDSM theme and content including spanking, dubious consent, exhibitionism, menage (m/f/m), group sex."
