This increase in product offerings stem from new interest in handguns, primarily as a result of nationwide issuance of concealed carry permits. As laws have been enacted that protect the rights of gun owners and defend our personal liberties, more and more new shooters are showing up on the range. But first-time shooters and new concealed carry permit holders are not the only segment of the handgun market that is seeing growth and interest. Pistol competitions have become more popular and more advanced, evolving from slow-fire matches at local gun clubs to modern IPSC, IDPA and 3-gun competitions. Handgun Buyer's Guide will help both the
