It deals in depth with all major aspects: key issues of the early period; labor absorption and income distribution; trade, prices and external shocks; technical change; and economic policies. The coverage of these topics is extensive, so as to give readers a comprehensive outlook of the development of Taiwan after the Second World War.

Recounts and includes commentary on twelve chess matches involving the best players of all time

In *The Heart of Grief*, Attig gives us an inspiring and profoundly insightful meditation on the meaning of grief, showing how it can be the path toward a lasting love of those who have died. Recounting dozens of stories of people who have struggled with deaths in their lives, he describes grieving as a transition from loving in presence to loving in separation. Attig argues that we can, in fact, build an enduring, even reciprocal, love, a love that tempers our pain. He tells stories, for instance, of a young girl taking some of her dead sister's practical advice as she enters high school, a widower realizing how much intimate life with his wife has colored his character, and an athlete drawing inspiration from his dead brother and achieving what they had dreamed of together. Far from forgetting our loved ones, Attig urges us to explore ways in which our memories of the departed can be sustained, our understanding of them enhanced, and their legacies embraced, so they continue to play active roles in our everyday and inner lives. Groundbreaking

and original, inspiring and compassionate, *The Heart of Grief* offers guidance, comfort, and a new understanding of how we grieve.

As the lawlessness of Prohibition pushes against the desperation of the Depression, there are two ways to make a living in Los Angeles: join the criminals or collar them. Kitty Pangborn has chosen the crime-fighters, becoming secretary to Dexter J. Theroux, one of the hard-drinking, tough-talking PIs who pepper the city's stew. But after Dex takes an assignment from Rita Heppelwaite, the mistress of Harrison Dempsey, one of L.A.'s shadiest--and richest--businessmen, Kitty isn't so sure what side of the law she's on. Rita suspects Dempsey has been stepping out and asks Dex to tail him. It's an easy enough task, but Dex's morning stroll with Johnnie Walker would make it tough for him to trail his own shadow. Kitty insists she go along for the ride, keeping her boss--and hopefully her salary--safe. However, she's about to realize that there's something far more unpleasant than a three-timing husband at the end of this trail, and that there's more at risk than her paycheck. Richly satisfying and stylishly gritty, *Death Was the Other Woman* gives a brand-new twist to the hard-boiled style, revealing that while veteran PIs like Sam Spade and Philip Marlowe spent their time slugging scotch and wooing women, it may well have been the Girl Fridays of the world who really cracked the cases.

When the artist moves into the classroom or community to educate and inspire students and audience members, this is Teaching Artistry. It is a proven means for

practicing professional musicians to create a successful career in music, providing not only necessary income but deep and lasting satisfaction through engaging people in learning experiences about the arts. Filled with practical advice on the most critical issues facing the music teaching artist today--from economic and time-management issues of being a musician and teacher to communicating effectively with students--The Music Teaching Artist's Bible uncovers the essentials that every musician needs in order to thrive in this role. Author Eric Booth offers both inspiration and how-to, step-by-step guidance in this truly comprehensive manual that music teaching artists will turn to again and again. The book also includes critical information on becoming a mentor, succeeding in school environments, partnering with other teaching artists, advocating for music and arts education, and teaching private lessons. The Music Teaching Artist's Bible helps practicing and aspiring teaching artists gain the skills they need to build new audiences, improve the presence of music in schools, expand the possibilities of traditional and educational performances, and ultimately make their lives as an artists even more satisfying and fulfilling.
