"Dear baby girl,I have something to tell you. You're not...what others would classify as normal. Your father and I, we're not human, neither are you."Crimson always knew she wasn't normal. She just didn't know why.When Crimson receives a letter from her birth mom she finds out things about herself she never new .Join Crimson on her journey in finding love, sorrow, and family. She always knew that life was one hell of a ride.

The only man pragmatic Lilly Hart needs in her life is a six year old. Widowed two years ago, Lilly leaves the shelter of her intrusive in-laws' home to stand on her own and provide for her young son by working for the summer as a cook at Lake Manawa. However, her in-laws find that life utterly unsuitable for their grandson, and when a row ensues, a handsome stranger--who designs roller coasters, of all things--intercedes on her behalf. Still, Lilly is not about to get involved with any man, especially this cocky (though charismatic) gentleman. Little does she know she is about to begin the ride of her life. Filled with delightful characters and the romance of summer, The Ride of Her Life is another supremely entertaining story from the witty Lorna Seilstad. Readers will laugh out loud and sigh contentedly as they spend the summer of 1906 in Lake Manawa.

Golf, fishing, and the afternoon Harley ride all sound like great ways to spend one's golden years. Tom Montgomery tried them all, then realized the true gold was in serving others experiencing some of life's most traumatic and painful situations. Riding along with law enforcement officers of a major Texas city, Montgomery chooses to listen, pray, and convey God's message to those experiencing what he calls 'off-the-charts' pain and emotional turmoil. Never knowing what to expect or what the crisis may be on the next ride along meant relying on a source greater than he for the right words or affirming touch. Montgomery shares his intimate look at questioning, reflecting, and savoring of God's grace and mercy while putting his faith into action in this collection of true stories.

Success is not a thing you acquire or achieve, it is a journey you take your whole life. With a compelling challenge to ""Check Your Passion,"" this book ignites people's ability to choose what they do, why they do it, and who they do it with. 'Enjoy the Ride' enables readers to identify their dreams and puts genuine success within their reach. Success is not limited to those with financial resources or talents. By reading this book, you will learn practical principles to put you on the road to success.

It's Been One Hell of a Ride is a pretty sarcastic, totally true, and comical ride. A two-part book started as a journal of our family story to my Timm men. It's a book on how we began this ride. How we dealt with many life hiccups with humor. How we picked our battles and learned to breathe through the struggles. How we enjoyed the little things. Also, to remember the good times, remember the bad times, and to learn from it and move on. Keep trucking as this is your ride and ultimately up to you to make it the best ride it can be! In this creating process, it dawned on me that this book is not just for us but also for others. It's for all pondering their place on the path. It reassures all panickers this isn't going the way it was planned and that's okay. You just let the ride take you, learn to love it, and find the humor in it, as the grass really isn't greener over here or there. I'm sure many of you can relate that our rides have bumpy paths, but we always have the option to steer it in a different direction.

Gray Preston was born into money, but he ' s built his racing empire on hard work and muscle. And now that Gray has millions of fans, his senator father sends one of his aides, Evelyn Hill, to elicit Gray ' s help in garnering votes for the upcoming national election. Gray wants nothing to do with his estranged father ' s campaign, but Evelyn can be pretty persuasive. She ' s willing to learn about racing, and maybe even get a little dirty. Evelyn ' s number-one goal is politics, which makes working with Gray difficult, because his only passion is fast cars. As she and Gray spend time together, he teaches her about the sport he loves, and she learns a lot about the man behind the wheel. The more she learns, the more she wants him. But any desire that threatens to derail the carefully laid plans for her future is a dangerous one. With the passion Gray and Evelyn share running hotter than either imagined, one of them is going to have to compromise, or else run the risk of losing more than

their hearts.

"In 2010, Ran Zilca left his home in New York on a motorcycle, bound for California seeking clarity. During the 34 days that followed, he rode solo through the heart of the United States, spending hundreds of hours in contemplation, meeting with dozens of people, and interviewing leading experts. 6,000 miles later he returned home with answers that he shares in this book - a concise guide to finding and experiencing inner peace." P. [4] of cover.

The triumphant true story of a woman who rode her horse across America in the 1950s, fulfilling her dying wish to see the Pacific Ocean, from the #1 New York Times bestselling author of *The Perfect Horse* and *The Eighty-Dollar Champion* "The gift Elizabeth Letts has is that she makes you feel you are the one taking this trip. This is a book we can enjoy always but especially need now."---Elizabeth Berg, author of *The Story of Arthur Truluv* In 1954, sixty-three-year-old Maine farmer Annie Wilkins embarked on an impossible journey. She had no money and no family, she had just lost her farm, and her doctor had given her only two years to live. But Annie wanted to see the Pacific Ocean before she died. She ignored her doctor's advice to move into the county charity home. Instead, she bought a cast-off brown gelding named Tarzan, donned men's dungarees, and headed south in mid-November, hoping to beat the snow. Annie had little idea what to expect beyond her rural crossroads; she didn't even have a map. But she did have her ex-racehorse, her faithful mutt, and her own unflinching belief that Americans would treat a stranger with kindness. Annie, Tarzan, and her dog, Depeche Toi, rode straight into a world transformed by the rapid construction of modern highways. Between 1954 and 1956, they pushed through blizzards, forded rivers, climbed mountains, and clung to the narrow shoulder as cars whipped by them at terrifying speeds. Annie rode more than four thousand miles, through America's big cities and small towns. Along the way, she met ordinary people and celebrities--from Andrew Wyeth (who sketched Tarzan) to Art Linkletter and Groucho Marx. She received many offers--a permanent home at a riding stable in New Jersey, a job at a gas station in rural Kentucky, even a marriage proposal from a Wyoming rancher. In a decade when car ownership nearly tripled, when television's influence was expanding fast, when homeowners began locking their doors, Annie and her four-footed companions inspired an outpouring of neighborliness in a rapidly changing world.

HEAVEN RIDE is a techno-thriller about two loyal friends who unlock secrets of the human soul and invent a device that ejects the soul and long-term memory on its path to heaven, and then brings it back. The "Pod" enables them to build Heaven Ride into the most lucrative empire the world has ever known, until ruthless rivals embark on a campaign of deceit, treachery and betrayal to wrest it away for their own insidious plan. This quandary of science and morality may change the way you think about heaven and the afterlife ... FOREVER. * * * David Brownington, a brilliant entrepreneurial mastermind with a leading business incubator, comes in contact with a mysterious gadget that measures wavelengths never seen before. His close friend, JW Gomez, a third-year Ph.D. candidate, supercedes the boundaries of his doctoral studies using a bio-pod that creates out-of-body experiences. Driven by memories of his little brother who perished in a gruesome accident as a child, JW's extra-curricular studies of sudden traumatic death lead to the astonishing discovery of the human soul. When David and JW merge these devices, they stumble upon the highway to heaven. Each of them falls in love as their miraculous invention takes the world by storm. Millions make the trip. As Heaven Ride prospers, its repercussions ripple throughout society. Protests, bombs and kidnappings threaten to shut it down, posing risks to David, JW, their friends and families. Long after Heaven Ride becomes a household word, startling revelations put David and JW in the crosshairs of dangerous men seeking ultimate power. With HEAVEN RIDE, John Eccleston and Kerry Gleason have woven an intense tale of ambition, success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

Personal account of how a traumatic injury brought the author closer to God.
