Babies and toddlers are especially vulnerable to chemical toxins in food, so an organic diet is a real investment in every child's future. This book provides 70 easy-to-follow recipes for breastfeeding and birth, weaning babies, toddlers and under fives.

Give baby the best start in life with these 100 super-healthy recipes-and establish good eating habits that will last a lifetime. Renée Elliott, the creator of Britain's Planet Organic supermarket chain, has created a collection of easy-to-make dishes that focus on organic ingredients, excellent nutritional value, and child-appelling taste. The yummy selection ranges from Dried Apricot Purée and Spelt Pancakes to Chicken & Mushroom Pasta, Mini Pita Pizzas, and Blueberry Bread. Each recipe has at-a-glance ingredient symbols, as well as preparation and storage tips, and weekly meal planners show when it's right to introduce different foods. Whether you're weaning your baby at six months or cooking for your toddler or five-year-old, this cookbook will show you how to create fabulous nourishing meals your children will love.

A resource for safe baby care

Baby food finally goes plant-based in this cookbook featuring 300 easy, delicious recipes that any parent can make to ensure their babies and toddlers get all the nutrients they need...without any of the ingredients they don't. Every parent wants to make sure their baby is eating the freshest, healthiest food possible, whether their baby is eating mashes and purees or simple finger foods. The Big Book of Plant-

Based Baby Food makes preparing baby food easier than ever with these 300 simple, plant-forward recipes that give your children the nutrients they need, all while being delicious to eat! Focused entirely on whole, natural foods from plant-based sources, this book includes recipes like: -Basic baby-approved purees that feature a wide range of fruits and veggies, from the simplest applesauce to a tasty garden vegetable and lentil mash -Functional snacks like teething biscuits for babies to chew or homemade puffed treats that toddlers will love to pick up for improved motor skills -And finger foods that sound so delicious you'll want to try them yourself, like sweet potato fries, strawberry raspberry muffins, and whole wheat mac 'n' cheese These easy, appetizing recipes will ensure that your kids are getting all the nutrients they need with ingredients you love!

Parents want the best for their children, starting with what they eat. This book includes both information and recipes so readers can educate themselves about organics and prepare all-natural meals for their children. Readers will discover how to know if foods are really organic, prepare natural baby and toddler meals at home, grow their own organic produce, make delicious dishes like Apple and Carrot Mash and Potato-Crusted Vegetable Quiche, and more! This book gives readers all the tools and know-how they need to shop economically, find the best organic foods, and prepare the perfect meals for their little ones.

A helpful parenting guide for environmentally conscious parents offers a range of options for organic foods and non-toxic products that promote a baby's health while ensuring the overall health of the planet, covering such alternatives as organic bedding, baby foods, non-toxic toys, all-natural clothing, pure skin care, healthy nursery furnishings, and other choices.

In this illustrated and easy-to-use guide, noted pediatrician Dr. Alan Greene, a leading voice of the green baby movement, advises parents how to make healthy green choices for pregnancy, childbirth, and baby care—from feeding your baby the best food available to using medicines wisely. Consumer advocate Jeanette Pavini includes information for making smart choices and applying green principles to a whole new universe of products from zero-VOC paints for the nursery, to pure and gentle lotions for baby's delicate skin, to the eco-friendly diapers now in the marketplace, as well as specific recommendations for hundreds of other products.
