stranger who promises a life of uptown luxury that career girls like her only read about in the society pages. Forced to choose between duty to her family and her own dreams, Lucia finds herself in the midst of a sizzling scandal in which secrets are revealed, her beloved career is jeopardized, and the Sartoris' honor is tested. Lucia is surrounded by richly drawn New York characters, including her best friend, the quick-witted fashion protégé Ruth Kaspian; their boss, Delmarr, B. Altman's head designer and glamorous man-about-town; her devoted brothers, Roberto, Orlando, Angelo, and Exodus, self-appointed protectors of the jewel of the family; and her doting father, Antonio. Filled with the warmth and humor that have earned Adriana Trigiani hundreds of thousands of devoted readers with her Big Stone Gap trilogy, Lucia, Lucia also bursts with a New York sensibility that shows the depth and range of this beloved author. As richly detailed as the couture garments Lucia sews, as emotional as the bonds in her big Italian family, it is the story of one woman who believes that in a world brimming with so much promise, she can—and should be able to—have it all.

Includes a reader's guide with discussion questions and recipes.

As devoted readers of Adriana Trigiani's New York Times bestselling novels know, this "seemingly effortless storyteller" (Boston Globe) frequently draws inspiration from her own family history, in particular from the lives of her two remarkable grandmothers, Lucia Spada Bonicelli (Lucy) and Yolanda Perin Trigiani (Viola). In *Don't Sing at the Table*, she reveals how her grandmothers' simple values have shaped her own life, sharing the experiences, humor, and wisdom of her beloved mentors to delight readers of all ages. Trigiani visits the past to seek answers to the essential questions that define the challenges women face today at work and at home. *Don't Sing at the Table* is a primer, grandmother to granddaughter, filled with everyday wisdom and life lessons handed down with care and built to last.

Known and loved around the world for her sweeping Big Stone Gap trilogy and the instant New York Times bestseller *Lucia, Lucia*, Adriana Trigiani returns to the charm and drama of small-town life with *Queens of the Big Time*. This heartfelt story of the limits and power of love chronicles the remarkable lives of the Castellucas, an Italian-American family, over the course of three generations. In the late 1800s, the residents of a small village in the Bari region of Italy, on the shores of the Adriatic Sea, made a mass migration to the promised land of America. They settled in Roseto, Pennsylvania, and re-created their former lives in their new home—down to the very last detail of who lived next door to whom. The village's annual celebration of Our Lady of Mount Carmel—or “the Big Time,” as the occasion is called by the young women who compete to be the pageant's Queen—is the centerpiece of Roseto's colorful old-world tradition. The industrious Castellucas farm the land outside Roseto. Nella, the middle daughter of five,

aspires to a genteel life “in town,” far from the rigors of farm life, which have taken a toll on her mother and forced her father to take extra work in the slate quarries to make ends meet. But Nella’s dreams of making her own fortune shift when she meets Renato Lanzara, the son of a prominent Roseto family. Renato is a worldly, handsome, devil-may-care poet who has a way with words that makes him irresistible. Their friendship ignites into a fiery romance that Nella is certain will lead to marriage. But Nella is not alone in her pursuit: every girl in town seems to want Renato. When he disappears without explanation, Nella is left with a shattered heart. Four years later, Renato’s sudden return to Roseto the night before Nella’s wedding to the steadfast Franco Zollerano leaves her and the Castelluca family shaken. For although Renato has chosen a path very different from Nella’s, they are fated to live and work in Roseto, where the past hangs over them like a brewing storm. An epic of small-town life, etched in glorious detail in the trademark Trigiani style, *The Queen of the Big Time* is the story of a determined, passionate woman who can never forget her first love.

NEW YORK TIMES BESTSELLER People's Book of the Week Annual Library of Virginia Literary Awards Nominee for Fiction Adriana Trigiani, the New York Times bestselling author of the blockbuster epic *The Shoemaker's Wife*, returns with her biggest and boldest novel yet, a hypnotic tale based on a true story and filled with her signature elements: family ties, artistry, romance, and adventure. Born in the golden age of Hollywood, *All the Stars in the Heavens* captures the luster, drama, power, and secrets that could only thrive in the studio system—viewed through the lives of an unforgettable cast of players creating magic on the screen and behind the scenes. In this spectacular saga as radiant, thrilling, and beguiling as Hollywood itself, Adriana Trigiani takes us back to Tinsel Town's golden age—an era as brutal as it was resplendent—and into the complex and glamorous world of a young actress hungry for fame and success. With meticulous, beautiful detail, Trigiani paints a rich, historical landscape of 1930s Los Angeles, where European and American artisans flocked to pursue the ultimate dream: to tell stories on the silver screen. The movie business is booming in 1935 when twenty-one-year-old Loretta Young meets thirty-four-year-old Clark Gable on the set of *The Call of the Wild*. Though he's already married, Gable falls for the stunning and vivacious young actress instantly. Far from the glittering lights of Hollywood, Sister Alda Ducci has been forced to leave her convent and begin a new journey that leads her to Loretta. Becoming Miss Young's secretary, the innocent and pious young Alda must navigate the wild terrain of Hollywood with fierce determination and a moral code that derives from her Italian roots. Over the course of decades, she and Loretta encounter scandal and adventure, choose love and passion, and forge an enduring bond of love and loyalty that will be put to the test when they eventually face the greatest obstacle of their lives. Anchored by Trigiani's masterful storytelling that takes you on a worldwide ride of adventure from Hollywood to the shores of southern Italy, this mesmerizing epic is, at

its heart, a luminous tale of the most cherished ties that bind. Brimming with larger-than-life characters both real and fictional—including stars Spencer Tracy, Myrna Loy, David Niven, Hattie McDaniel and more—it is the unforgettable story of one of cinema's greatest love affairs during the golden age of American movie making.

It's 1949 in south Philadelphia. Diligent, hard-working, and proud, the Palazzinis have built a solid life for themselves and their three sons. Now that World War II is over, their sons, each one a decorated veteran, have returned home to the family cab company, to rejoin their world as it was before they left. But their future and fortunes are forever changed by a telegram, and the nephew who delivers it.

Viola doesn't want to go to boarding school, but somehow she ends up at Prefect Academy, an all-girls school in South Bend, Indiana, far faraway from her home in Brooklyn, New York. Now Viola is stuck for a whole year in what seems to be the sherbet-coloured-sweater capital of the world. Ick. There's no way Viola's going to survive the year - especially since she has to replace her BFFAA (best friend forever and always) Andrew with three new roommates who, disturbingly, actually seem to like being at Prefect. She resorts to viewing the world (and hiding) behind the lens of her video camera. But boarding school, her roommates and even Indiana, are nothing like Viola thought they would be, and she soon realises that she may be in for the most incredible year of her life. But first she has to put the camera down and let the world in.

Milk Glass Moon, the third book in Adriana Trigiani's bestselling Big Stone Gap series, continues the life story of Ave Maria Mulligan MacChesney as she faces the challenges and changes of motherhood with her trademark humor and honesty. With twists as plentiful as those found on the holler roads of southwest Virginia, this story takes turns that will surprise and enthrall the reader. Transporting us from Ave Maria's home in the Blue Ridge Mountains to the Italian Alps, from New York City to the Tuscan countryside, Milk Glass Moon is the story of a shifting mother-daughter relationship, of a daughter's first love and a mother's heartbreak, of an enduring marriage that contains its own ongoing challenges, and of a community faced with seismic change. All of Trigiani's beloved characters are back: Jack Mac, Ave Maria's true love, who is willing to gamble security for the unknown; her best friend and confidant, bandleader Theodore Tip-ton, who begins a new life in New York City; librarian and sexpert Iva Lou Wade Makin, who faces a life-or-death crisis. Meanwhile, surprises emerge in the blossoming of crusty cashier Fleeta Mullins, the maturing of mountain girl turned savvy businesswoman Pearl Grimes, and the return of Pete Rutledge, the handsome stranger who turned Ave Maria's world upside down in Big Cherry Holler. In

this rollicking hayride of upheaval and change, Ave Maria is led to places she never dreamed she would go, and to people who enter her life and rock its foundation. As Ave Maria reaches into the past to find answers to the present, readers will stay with her every step of the way, rooting for the onetime town spinster who embraced love and made a family. Milk Glass Moon is about the power of love and its abiding truth, and captures Trigiani at her most lyrical and heartfelt.

For the Trigianis, cooking has always been a family affair—and the kitchen was the bustling center of their home, where folks gathered around the table for good food, good conversation, and the occasional eruption. Example: Being thrown out of the kitchen because one's Easter bread kneading technique isn't up to par. As Adriana says: "When the Trigianis reach out and touch someone, we do it with food." Like the recipes that have been handed down for generations from mother to daughter and grandmother to granddaughter, the family's celebrations are also anchored to the life and laughter around the table. We learn how Grandmom Yolanda Trigiani sometimes wrote her recipes in code, or worked from memory, guarding her recipes carefully. And we meet Grandma Lucia Bonicelli, who never raised her voice and believed that when people fight at the dinner table, the food turns to poison in the body. Adriana Trigiani's voice springs to life from the first page of *Cooking with My Sisters*, a collection of beloved family recipes that the Trigianis have been enjoying for generations. But there's much more here than just the food. Peppered with hilarious family anecdotes, poignant letters, and exquisite color photographs, *Cooking with My Sisters* draws us into the warm and witty world of the Trigiani clan. Each recipe has a story behind it, and each chapter has tips from different sisters, reflecting the unique personalities of the latest generation of Trigiani women. Here are mainstay meals, featured in sections such as "The Big Life" and "The Big Wow," which include the chapters "Pasta, or as We Called It, Maccheroni" and "Food We Hated as Kids but Love to Serve Now." Accessible to any cook, the recipes range from Chicken and Polenta, Zizi Mary's Rice Soup, and Gnocchi to favorite desserts like Grandmom's Buttermilk Cake—and all the delectable dishes are geared toward bringing your family together. Written with Adriana Trigiani's trademark humor and verve, this wonderful book will appeal to anyone who values the bonds that food, community, and cultural tradition can provide. From the Hardcover edition.
