A short sale is a sale of a property where the proceeds of the sale are less than the balance  
owed on the mortgage loan. Short sale fraud schemes come in different guises, but a few are  
more common than others. Short sale buyers and sellers should be on the lookout for the three  
scams discussed in-depth here.

The RAW Truth. \$ 49.95. The RAW Truth is the story of two sisters – Annah Stretton and Rebecca Skilton – who chose to immerse themselves in the lives of a group of women who came from a very different world to their own; a world filled with hardship, abuse, crime, under-education and unemployment. They dared to believe that a life of crime could become a life of promise with right amount of support and heart and set up a charity called RAW to make that happen.

## Get Free Short Sales The Raw Truth Of Closing A Short Sale

A blunt wake-up call to salespeople and sales leaders that debunks the myths of the latest miracle solutions and refocuses your sales strategy on a proven approach that will drive the results you want. Can you handle the truth? Can succeeding in sales be as simple as hooking up the latest CRM tool or perfecting your social media profiles and waiting for qualified leads to automatically show up in your inbox? Are you having trouble believing what the new self-proclaimed “experts” keep posting on LinkedIn and beginning to question their proclamation that everything in sales has changed? Welcome to the world of sales, where the one constant you can bank on is the noise from so-called experts and thought leaders who want to convince you everything has changed and that you need their latest tools, toys, or tricks to stay even or get ahead of the pack. Yet, ironically, it seems that the more of these new miracle solutions you adopt, the harder it is to get results. In *Sales Truth*, Mike Weinberg offers a blunt wake-up call to salespeople and sales leaders on how to get past the noise and nonsense, so you can start winning more New Sales. Here’s the truth: Many of these so-called sales experts lack clients, credibility, and a track record of helping sellers achieve breakthrough results. The number of “likes” a sales improvement article receives is often inversely proportional to its accuracy or helpfulness to the typical seller or sales team. What has worked exceedingly well in sales and sales management for the past couple of decades is still the (not so) secret to sales success today, and you can discover these accessible, simple truths and best practices that will drive the results you want in this bold new book. Mike Weinberg, bestselling author of

## Get Free Short Sales The Raw Truth Of Closing A Short Sale

New Sales. Simplified. and Sales Management. Simplified., brings sanity back to the sales effectiveness table by sharing proven strategies that he sees working firsthand across sales teams in a myriad of industries around the globe. Stop looking for the shortcut or secret sales sauce and instead apply Weinberg's proven, powerful principles to help you master the fundamentals of professional selling and create more new sales opportunities than you ever believed possible.

Be sure to check out **IRON AMBITION: My Life with Cus D'Amato** by Mike Tyson "Raw, powerful and disturbing—a head-spinning take on Mr. Tyson's life."—Wall Street Journal Philosopher, Broadway headliner, fighter, felon—Mike Tyson has defied stereotypes, expectations, and a lot of conventional wisdom during his three decades in the public eye. Bullied as a boy in the toughest, poorest neighborhood in Brooklyn, Tyson grew up to become one of the most ferocious boxers of all time—and the youngest heavyweight champion ever. But his brilliance in the ring was often compromised by reckless behavior. Yet—even after hitting rock bottom—the man who once admitted being addicted “to everything” fought his way back, achieving triumphant success as an actor and newfound happiness and stability as a father and husband. Brutal, honest, raw, and often hilarious, **Undisputed Truth** is the singular journey of an inspiring American original.

**#1 NEW YORK TIMES BESTSELLER • The compelling, inspiring, and comically sublime story of one man's coming-of-age, set during the twilight of apartheid and the tumultuous days of freedom that followed** **NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE •**

## Get Free Short Sales The Raw Truth Of Closing A Short Sale

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Michiko Kakutani, New York Times • USA Today • San Francisco Chronicle • NPR • Esquire • Newsday • Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love. Praise for Born a Crime "Compelling . . . By turns alarming, sad and funny, [Trevor Noah's] book provides a

## Get Free Short Sales The Raw Truth Of Closing A Short Sale

harrowing look, through the prism of Mr. Noah's family, at life in South Africa under apartheid. . . . Born a Crime is not just an unnerving account of growing up in South Africa under apartheid, but a love letter to the author's remarkable mother."—Michiko Kakutani, *The New York Times*

The author's parents and grandparents and several aunts, as far back as he remembers frequently told him to finish school and go to college to learn the skill of a lawyer. That was due to Paul's excellent memory and inquisitive mind; and to become a lawyer they believed that Paul could help a lot of people! Paul had every intent on fulfilling the dreams of his parents and grandparents but the tables turned and trouble at school started to aggrandize so he dropped out of high school. Paul's cousin, Farley, introduced him to the dope game when he was about fourteen years old. Mr. Claude W. Austin, Jr., the author's father purchased all instruments for a band; having five sons perhaps he perceived that they would pick them up and take it to success. The younger brothers, Claude Jr., and Dallas, learned to play some of the instruments. And even though Paul could sing very well, he found selling drugs more interesting. When Paul was about eighteen, he met a former prostitute that was about thirty-three and she often talked about some of the things that the pimp was popular for and had her and the other hookers carrying out. Elaine was working a 9 to 5 job and she invited Paul to move in with her and she pledged to take care of him!! But by then, Paul had realized that he was a Casanova, and therefore he wasn't gonna allow one woman to corral him!!! Paul's idea on pimping came from Elaine.

## Get Free Short Sales The Raw Truth Of Closing A Short Sale

"[DePalma] renders a Cuba few tourists will ever see . . . You won't forget these people soon, and you are bound to emerge from DePalma's bighearted account with a deeper understanding of a storied island . . . A remarkably revealing glimpse into the world of a muzzled yet irrepressibly ebullient neighbor."--The New York Times Modern Cuba comes alive in a vibrant portrait of a group of families's varied journeys in one community over the last twenty years. Cubans today, most of whom have lived their entire lives under the Castro regime, are hesitantly embracing the future. In his new book, Anthony DePalma, a veteran reporter with years of experience in Cuba, focuses on a neighborhood across the harbor from Old Havana to dramatize the optimism as well as the enormous challenges that Cubans face: a moving snapshot of Cuba with all its contradictions as the new regime opens the gate to the capitalism that Fidel railed against for so long. In Guanabacoa, longtime residents prove enterprising in the extreme. Scrounging materials in the black market, Cary Luisa Limonta Ewen has started her own small manufacturing business, a surprising turn for a former ranking member of the Communist Party. Her good friend Lili, a loyal Communist, heads the neighborhood's watchdog revolutionary committee. Artist Arturo Montoto, who had long lived and worked in Mexico, moved back to Cuba when he saw improving conditions but complains like any artist about recognition. In stark contrast, Jorge García lives in Miami and continues to seek justice for the sinking of a tugboat full of refugees, a tragedy that claimed the lives of his son, grandson, and twelve other family members, a massacre for which the government denies any role. In The Cubans, many patriots face one new question: is their loyalty to the revolution, or to their country? As people try to navigate their new reality, Cuba has become an improvised country, an old machine kept running with equal measures of ingenuity and

## Get Free Short Sales The Raw Truth Of Closing A Short Sale

desperation. A new kind of revolutionary spirit thrives beneath the conformity of a half century of totalitarian rule. And over all of this looms the United States, with its unpredictable policies, which warmed towards its neighbor under one administration but whose policies have now taken on a chill reminiscent of the Cold War.

This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In *Triggered*, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.
