the book's message of the book of guidance.

During the last 140 years, Darwinism that rejects the fact of creation, and therefore the existence of Allah, has caused many people to abandon their faith or fall into doubt, Therefore, showing that this theory is a deception is a very important duty, which is strongly related to the religion.

From an immensely talented new voice in international fiction, this “fascinating, ambitious” (The New York Times Book Review) and epic novel seamlessly interweaves five love stories that, together, chronicle sixty years of Bangladeshi history—for fans of Khaled Hosseini’s *The Kite Runner* and Rohinton Mistry’s *A Fine Balance*. Shahryar, a recent PhD graduate and father of nine-year-old Anna, must leave the United States when his visa expires. In their last remaining weeks together, we learn Shahryar’s history, in a village on the Bay of Bengal, where a poor fisherman and his wife are preparing to face a storm of historic proportions. That story intersects with those of a Japanese pilot, a British doctor stationed in Burma during World War II, and a privileged couple in Calcutta who leaves everything behind to move to East Pakistan following the Partition of India. Inspired by the 1970 Bhola cyclone, in which half a million-people perished overnight, the structure of this riveting novel mimics

the storm itself. Building to a series of revelatory and moving climaxes, it shows the many ways in which families love, betray, honor, and sacrifice for one another. At once grounded in history and fantastically imaginative, *The Storm* “ moves us deftly through time and across borders, beautifully illustrating the strange intersections we call fate, and reminding us how the past shapes the present ” (Rumaan Alam, author of *Rich and Pretty*). Exploring the humanity that connects us beyond the surface differences of race, religion, and nationality, “ this powerful and important debut is a story for our time ” (Library Journal, starred review).
