The Complete Prose of T.S. Eliot gathers for the first time in one place the collected, uncollected, and unpublished prose of one of the most prolific writers of the twentieth century. The result of a multi-year collaboration among Eliot's Estate, Faber and Faber Ltd., Johns Hopkins University Press, the Beck Digital Center of Emory University, and the Institute of English Studies, University of London, this eight-volume critical edition dramatically expands access to material that has been restricted or inaccessible in private and institutional collections for almost fifty years.

For the first time in one hardcover edition, here are three best-selling books by one of 20th century's greatest movie directors. Woody Allen is an American cultural icon -- funny, philosophical, and controversial in his work and personal life. In this side-splitting collection, containing Without Feathers, Getting Even, and Side Effects, the Academy Award-winning filmmaker explores subjects ranging from sleeplessness to the UFO menace. No Woolly fan will want to be without his hilarious ruminations on the moral and ethical predicaments of modern life.

The prose writings of Charles Olson (1910-1970) have had a far-reaching and continuing impact on post-World War II American poetics. Olson's theories, which made explicit the principles of his own poetics and those of the Black Mountain poets, were instrumental in defining the sense of the postmodern in poetry and form the basis of most postwar free verse. The Collected Prose brings together in one volume the works published for the most part between 1946 and 1969, many of which are now out of print. A valuable companion to editions of Olson's poetry, the book backgrounds the poetics, preoccupations, and fascinations that underpin his great poems. Included are Call Me Ishmael, a classic of American literary criticism; the influential essays "Projective Verse" and "Human Universe"; and essays, book reviews, and Olson's notes on his studies. In these pieces one can trace the development of his new science of man, called "muthologos," a radical mix of myth and phenomenology that Olson offered in opposition to the mechanistic discourse and rationalizing policy he associated with America's recent wars in Europe and Asia. Editors Donald Allen and Benjamin Friedlander offer helpful annotations throughout, and poet Robert Creeley, who enjoyed a long and mutually influential relationship with Olson, provides the book's introduction.

Thanks to her acclaimed volume of poetry and prose published in France in 1555, Louise Labé (1522-66) remains one of the most important and influential women writers of the Continental Renaissance. Best known for her exquisite collection of love sonnets, Labé played off the Petrarchan male tradition with wit and irony, and her elegies respond with lyric skill to predecessors such as Sappho and Ovid. The first complete bilingual edition of this singular and broad-ranging female author, Complete Poetry and Prose also features the only translations of Labé's sonnets to follow the exacting rhyme patterns of the originals and the first rhymed translation of Labé's elegies in their entirety.

From the award-winning translators: the complete prose narratives of the most acclaimed Russian writer of the Romantic era and one of the world's greatest storytellers. The father of Russian literature, Pushkin is beloved not only for his poetry but also for his brilliant stories, which range from dramatic tales of love, obsession, and betrayal to dark fables and sparkling comic masterpieces, from satirical epistolary tales and romantic adventures in the manner of Sir Walter Scott to imaginative historical fiction and the haunting dreamworld of "The Queen of Spades." The five short stories of The Late Tales of Ivan Petrovich Belkin are lightly humorous and yet reveal astonishing human depths, and his short novel, The Captain's Daughter, has been called the most perfect book in Russian literature.

Brings together nearly three hundred essays and reviews, ten short stories, and more than one hundred short book reviews, notices, and highly crafted one-sentence "blurbs."

Presents a collection of both published and unpublished prose pieces, including correspondence, articles, talks, readings, and stories.
