Her trip home challenges Carlisle's sense of herself and brings the pieces of her past togther, so that when she finally re-meets the man of her dreams, she's in a perfect place to tempt fate.

The Junior League of Willow Creek, Texas, is tres exclusive. Undesirables need not apply. Fredericka Mercedes Hildebrand Ware (Frede to her friends) is a member beyond reproach...until her life begins to unravel. When her husband betrays her, steals her money, and runs off to places unknown, it's something Frede would rather keep under wraps. The last thing she needs is to become fodder for the JLWC gossip mill. And to make matters worse, there's only one person in town who stands a chance at helping her get revenge: Howard Grout, a tasteless, gold-chain-wearing lawyer who has bought his way into Frede's tony neighborhood. But htere's a price: She has to get his tacky, four-inch-stiletto-and-pink-spandex-wearing wife Nikki into the Junior League. Linda Francis Lee has written an hysterical novel about the creme de la creme of Texas society, the lengths to which one woman goes to bring her cheating husband to justice, and how taking on what seems like a "Mission Impossible" can change you in ways you could never have imagined.

HE WAS A MAN WHO MADE THE RULES, WHILE SHE WANTED ONLY TO BREAK THEM. . . . Grayson Hawthorne is everything blue-blooded Boston society admires-rich, ruthless, untainted by scandal. While always keeping a tight rein on his emotions, he has never forgotten Sophie Wentworth, the spirited but awkward child who captivated his youth with music and a young girl's adoration. But one night long ago, she left the city unexpectedly. Now the toast of Europe, Boston's ugly duckling is returning home with the grace of a swan. Through provocative performances, Sophie has found great fame as a concert cellist. She hopes to keep her past and her new life separate-until she discovers that her family has bargained her away to Grayson, the lonely boy she once loved, but now a cold, forbidding man with the power to break her tattered heart. At that moment, she vows to bring Boston . . . and Grayson . . . to their knees. Swan's Grace is the sophisticated, unforgettable story of a gifted but defiant woman and an unforgiving man who must find a gentleness in his soul to heal both their tarnished hearts.

So many people fell for the adorable dog from Emily and Einstein that author Linda Francis Lee had to write a special story about him. He may turn out to be the best gift she has ever received. . . SHE WAS READY TO TIE THE KNOT. NOW SHE'S FIT TO BE TIED. Texas heiress Vivienne Stansfield's dream of being a bride was about to come true. But in a startling change of fortune, her safe, reliable fiancé proves himself to be neither–and her wealthy, eccentric father disappears, leaving her with no money, no explanation, and no choice but to find a job. Determined to prove that she isn't the pampered princess the tabloids say she is, she seeks the position of nanny for sexy real estate mogul Max Landry's young sisters. With to-die-for clothes and a heart as pure as her gold charm bracelet, Vivi steps up to the challenge. But how to resist her irresistible employer? Max needs a nanny. But the last person he wants is a knockout who doesn't know the first thing about taking care of herself, much less two young girls. But once she arrives, he learns that there is more to Vivi than her short skirts and high heels imply. And when she asks Max to teach her about the game of life and passion, this strong-willed man realizes that he wants to play for real, for keeps–and he has no intention of losing this woman's surprisingly fragile heart.

Truely Noonan is the quintessential Southern boy made good. Like his older sister, Courtney, Truely left behind the slow, sweet life of Mississippi for jet-set San Francisco, where he earned a fortune as an Internet entrepreneur. Courtney and Truely each find happy marriages -- until, as if cursed by success, those marriages start to crumble. Then their lives are interrupted by an unexpected stranger: a troubled teenager named Arnold, garrulous, charming, thuggishly dressed, and determined to move in to their world. Arnold turns their lives upside down, and in the process this unlikely trio becomes the family that each had been searching for. In the best Southern fiction tradition, Kincaid has brought us an inspiring story about finding the way home.

When she catches her fiancT cheating on her on their wedding day, Grace Colebrook refuses to make a scene and walks away from the ceremony into the arms of a mysterious stranger, ER doctor Jack Berenger, who turns out to be her neighbor downstairs. Original.
