well in England—and Crowe somehow mixed up in it. When no one will tell you the truth, sometimes you have to risk all to discover it for yourself. And so begins an adventure that will take Sherlock across the Atlantic, to the center of a deadly web—where a friend is in peril and a defeated army threatens to rise again. Andrew Lane's exciting second case for the teenage Sherlock leads the young detective to America, straight into the heart of a shocking conspiracy.

Sherlock's mother has died, his father has disappeared in India and his sister is acting strangely. The Holmes family seems to be falling apart, and not even brother Mycroft can keep it together. But while Sherlock is worrying about all of this, a man living nearby vanishes in his own house while Sherlock and Mycroft are visiting. Where did he go, and what is the connection with a massive canal being built in Egypt? The

answer will rock the world, and tear the Holmes family apart! Another fast-paced, brilliantly plotted adventure in Andrew Lane's Young Sherlock series as the teenage Sherlock Holmes investigates a new crime and comes up against a fresh crop of sinister, clever crooks.

Steve Berry decided to do something a little bit different to raise funds for Alzheimer's Research UK. A life-long DOCTOR WHO fan, he began to interview celebrities, writers, actors and people who had worked on DOCTOR WHO, asking for their earliest memories of the show that sent us cowering behind the sofa. Now he presents the fruits of his four years of labour - a beautiful, touching book containing short articles and touching memories of one of the most successful TV shows ever. 2013 marks the 50th anniversary of DOCTOR WHO - this is the perfect way to enjoy those 50 years! This revised and expanded

Volume 3 Doctor Who The Third Doctor Adventures

On a dark frozen planet where no planet should be, in a rat-infested city with a sky of stone, the Doctor and Nyssa unearth a black market in second-hand body parts and run the gauntlet of augmented police and their augmented horses. And just between the tramstop and the picturehouse, the Doctor's worst suspicions are confirmed: the Cybermen have only just begun.

People of Red Rocket Rising, my fellow citizens. Our long night is over. I've been contacted by a benevolent people. They too have known great trials, but they have overcome them and made it their mission to help others do the same. They have offered us refuge, and passage to the nearest human worlds. They have the resources, and the patience and compassion, to evacuate every one of us. My fellow
