He's all wrong for her, but nothing has ever felt so right... He's a sexual dominant. She's sworn off sex. There's no way they can make a relationship work-or can they? After surviving a traumatic event at age fifteen and the ensuing estrangement from her family, Natalie Bryant has worked for years to reinvent herself into the woman she is today--a happy teacher fresh out of college and enjoying her first winter in New York City with her faithful dog, Fluff, by her side. Natalie isn't expecting her life to change completely during a routine stroll through Greenwich Village on a blustery January day. But when Fluff breaks loose and charges into a park, Natalie gives chase and crashes into her

destiny. Only after Fluff bites and draws blood from the man who accidentally knocked Natalie down does she realize Fluff has bitten the biggest movie star in the world. He has no business being enthralled by the gorgeous, young, innocent teacher—Natalie captivates Flynn Godfrey from the first moment their eyes meet while she is lying on the ground and he's fighting off her ferocious little beast of a dog. The only thing Flynn knows for certain is if he lets Natalie get away, he'll regret it for the rest of his life. After only a short time in her presence, Flynn is prepared to change who he is to be what she needs. He knows he's in big trouble when she says she won't sleep with him and he doesn't care if it means he gets to keep her in his life. But can he turn his back on the lifestyle that has defined him? Can he deny the desires that drive him to give Natalie the introduction to love and romance she so deserves? And most of all, can he keep his truth hidden from her long enough to have forever with her? Join Flynn and Natalie in their three-part story: VIRTUOUS, VALOROUS and VICTORIOUS. From New York to Los Angeles, from Hollywood to Las Vegas, Flynn and Natalie's whirlwind love affair has it all—romance, passion, steamy hot sex, relentless paparazzi and a murder that could be their undoing. PLEASE NOTE: VIRTUOUS and VALOROUS contain cliffhangers before Flynn and Natalie's story concludes in VICTORIOUS. If you hate dirty-talking heroes who put it all on the line for the women they love, who leave no desire unfulfilled, who will do anything it takes to protect what's theirs—if elements of BDSM make you queasy, if smoking hot sex isn't your thing, if cliffhangers make you rage, if you hate first-person points of view from the heroine AND the hero... this series is NOT for you! A slightly TAMER version of Rapturous—all the romance, all the heat, just a little less erotic. Control is his mantra—until one woman breaks his control—and his heart. It's Oscar night, and Academy Award-winning director Hayden Roth spontaneously kisses the woman he desires above all others, even though he knows she can never be his. Addison York craves her boss's best friend, Hayden, but he has never given her an ounce of encouragement—until tonight when he kissed her after winning the Oscar. Was that kiss the start of something or another in a long line of frustrations where Hayden is concerned? Something is keeping him from acting on the attraction that simmers between them, and Addie is determined to find out what it is. But when she stumbles upon the secret that Hayden, Flynn and her other close friends have kept from her, will she allow hurt feelings to get in the way of true love? When Hayden won't share his BDSM lifestyle with her, Addie decides to conduct her own research. Will she be intrigued or repulsed? And what will Hayden do when he finds out how she's been spending her evenings?

A slightly TAMER version of Delirious—all the romance, all the heat, just a little less erotic. Pleasure is a game to him. Until one woman changes all the rules—As one of Hollywood's hottest producers, Kristian Bowen is on top of the world. With the Quantum team fresh off a clean sweep of awards season and looking ahead to the premiere of their new film, Insidious, Kristian's life is exactly how he likes it, complete with a stable of willing subs to tend to his every desire. Until he attends the wedding of his friend and business partner Flynn Godfrey and meets Aileen Gifford, the close friend of Flynn's new wife, Natalie. Since meeting Aileen five months ago, Kristian's carefully cultivated life has changed in ways he never could've expected. Now Aileen and her children are moving to Los Angeles, and he's not sure whether to be excited or terrified about his powerful feelings for the single mom... Aileen is coming off the worst year of her life, spent battling breast cancer while taking care of two young children. When Natalie, Flynn and their other friends encourage Aileen to move to LA and work for Quantum, she jumps at the chance to give her family a fresh start. And with her off-the-charts attraction to Flynn's business partner in the mix, the idea of living in LA becomes that much sweeter. Until everyone shows up to welcome her and the kids to their new home in LA—except Kristian. He can't avoid her forever, and when these two finally see each other again, sparks fly between the single mom and the producer with a past he's kept hidden from everyone who matters to him. When that past rears its ugly head, will he run away from the woman he loves or turn to her for comfort in the storm? And will she prevail in convincing him that he can be himself, in every possible way, with her? Kristian and Aileen's long-awaited story is full of heat, heart and humor, as well as appearances from all the Quantum characters readers love!

She drives him crazy—In more ways than one. Every time Leah Holt encounters Quantum Production's chief counsel, Emmett Burke, the only thing she can think of is how much she wants to lick him. Everywhere. She's never had that kind of reaction to a man, and the fact that he's a much-older colleague makes her out-of-control attraction to him far more complicated than it should be. Every day, she brings a new legal question to Emmett, hoping to catch his attention and make him see her as a grown woman who wants him desperately. She walks a fine line in trying to remain professional as the assistant to superstar Marlowe Sloane while lusting after Marlowe's sexy attorney. To Emmett, Leah is a fly buzzing around his head who can't be swatted away. She's always there, looking at him, asking him legal questions that have nothing to do with his specialty in entertainment law and generally driving him mad with her overt sexiness and sassy mouth. He wants to toss her over his desk and run the sass right out of her, which is hardly the way a professional who loves his job should behave in the office—especially with a young, fresh, sexy colleague. As the author of the company's policy on inter-office dating, he's painfully aware of all the reasons he should stay far, far away from her and the tantalizing temptation she represents. Then Leah gets her chance to step up for Emmett, to help him through an unfortunate "accident" and to show him she's much more than just a smart mouth and a sexy body. When she realizes she has genuine feelings for him—and that those feelings are returned—she wonders if he will take a chance on her or continue to hold her at arm's length. Slowly but surely, she chips away at his resistance, and he begins to crave more of her. But Emmett knows if he's going to let her in, he has to let her all the way in. What will she think when he introduces her to his BDSM lifestyle? Will she still want him the way she does now or will she run away in horror? And what will he do if she runs away? When Leah confronts a dangerous threat from her past, Emmett is forced to acknowledge that his "annoying little fly" has worked her way firmly into his heart—and his bed. Also, join the entire Quantum team at the company's vineyard in Napa for Hayden and Addie's wedding! "A stunning conclusion to a breathtaking series. I thought I'd finally met the man of my dreams... Marlowe I've planned this night for weeks, down to the last detail. I want it to be perfect. Bringing someone new into my private life is not something I do lightly, having learned the hard way over the years that celebrity has a dark downside that I go out of my way to avoid whenever possible. But he is different. We've been together for months and the time is right to take this next step with him. It doesn't take long for me to realize I've made a huge mistake trusting this man. Before things go from bad to worse, I have the presence of mind to know I'm in big, big trouble. Marlowe Sloane's story, FAMOUS, is the thrilling conclusion to the New York Times bestselling Quantum Series.
