Volvo 240 Service Repair Manual - Volvo 240 PDF Downloads
The 240 (1974-1993) is the longest running and most popular Volvo model. As a matter of fact, it was so popular that Volvo had to keep producing it past its projected last year just to fill the final pre-orders. When the last Volvo left the Goeteborg plant in 1993, its replacement, the 740, had already been discontinued for three years. A total of 2,862,600 200-series Volvos had been built in ...

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes, cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.
